“THE CARE BEARS BIG WISH MOVIE”

EXT. THE COSMOS - NIGHT

UNDER CREDITS -- we are treated to a tour of the cosmos. Pastel-hued planets, swirling galaxies.

The CAMERA swoops and soars through this perfect view of the heavens and eventually ends up featuring a giant star, with a bunch of little stars swirling around it.

This giant star is called BIG WISH, and the little stars (all looking very much like our own TWINKERS) spin and spiral happily around Big Wish.

Suddenly, a comet blasts its way past Big Wish, scattering the smaller stars. All of the smaller stars get away to safety. All, save for one. Twinkers.

Swept up in the sparkling wake of the comet, Twinkers gets pulled away from Big Wish and starts to fall down and away; becoming a shooting star himself.

Twinkers looks worried as he plummets with greater and greater velocity towards the clouds of earth, on which he closes in very rapidly.

EXT. CARE-A-LOT - NIGHT

And now we’re in the beautiful, brightly-colored, rainbow and cloud kingdom of Care-A-Lot. Pretty, little houses dot the cloudy landscapes, with pastel forests and waterfalls in the distance. Lights twinkle from the houses.

And there, up in the sky, can be seen a bright streak. It’s Twinkers, careening towards Care-A-Lot.

EXT. FOREST - NIGHT

WHOOOSH!! Twinkers rockets down from the sky, and with an explosion of sparks and puffy cloud pieces, Twinkers crashes and disappears into a cloudy bush along a trail in the forest.

All is quiet for a few moments...and then we HEAR Twinkers whimpering like a lost puppy.

TWINKERS
<WHIMPERING>

This SHOT SLOWLY DISSOLVES from night to...

DISSOLVE TO:

EXT. FOREST - MORNING

Birds <CHIRP> as we PAN DOWN to see a small bear, happily skipping along. This is WISH CUB.

She looks just like a Care Bear, only smaller and, if it's even possible, cuter! She carries a little picnic basket, and as she skips, she sings a little song.

WISH CUB
(singing)
If wishes were fishes, and soup bowls were dishes, I'd make something delicious, for yooooou...
<HUMMING>

As Wish Cub skips past the bush, she HEARS Twinkers hiding inside. He WHIMPERS like a lost puppy.

TWINKERS
<WHIMPERING>

Wish Cub stops. Looks suspiciously at the bush.

WISH CUB
Hello?

No response. She thinks for a moment, then stumbles on a very big word.

WISH CUB (CONT'D)
<GIGGLE> Must have been my inagim... um, my imagic... mm, my mini-agination.

Wish Cub turns and is about to skip away when she HEARS some RUSTLING from the bush and some more WHIMPERING.

TWINKERS
<WHIMPERING>

WISH CUB
That's no mini-agination; that's a <u>something</u>!

Wish Cub puts down her basket and addresses the whimpering bush.

WISH CUB (CONT'D)
Attention bush-dwelling something:
My name is Wish Cub! What's yours?

No response.

WISH CUB (CONT'D)
Don't be afraid. I'm a Care Bear,
not a "Scare Bear." <GIGGLES>

And now, from within the bush, Twinkers emerges.

Wish Cub sees him for the first time and smiles.

WISH CUB
(excited)
Hi, little guy!

TWINKERS
<SQUEAL!!!>

Twinkers vanishes back into the bush.

WISH CUB
Whoa! Come back!

The bush starts shaking as if Twinkers is quivering in fright. Wish Cub thinks for a moment and gets an idea.

WISH CUB (CONT'D)
Hmmm...

As she walks O/S to her picnic basket, Twinkers peers out from the bush to she where Wish Cub is going.

TWINKERS
Hmm?

Twinkers quickly ducks back into the bush when he she's Wish Cub coming back with the picnic basket.

She takes out a sandwich and speaks to no one in particular.

WISH CUB
Well, I guess I might as well just
sit down here and have my lunch.

Twinkers sneaks out of the bush once again, to get a better look at Wish Cub's lunch.

Wish Cub takes a bite of her sandwich. She really overdoes selling how good it is.

WISH CUB (CONT'D)
(mouth full)
Oh...Mmmm... Mmmm, Mmm, Mmm. Wow! Mm! THIS is tasty. Yup, this sure is good!...

Twinkers looks at Wish Cub... More specifically, at Wish Cub's sandwich, and licks his lips.

TWINKERS
<LICKS HIS LIPS>

WISH CUB
Are you allergic to peanut butter?

Twinkers shakes his head 'no'.

TWINKERS
Mm, mmm.

WISH CUB
Would you like to share my sandwich with me?

Wish Cub holds out the sandwich, but the sudden movement frightens Twinkers and he zips back behind the bush.

TWINKERS
AHHH! <WHIMPERING>

Wish Cub frowns and gets another idea.

WISH CUB
Hmm...

She rips off a small piece of the sandwich and puts it on the ground by the bush.

WISH CUB (CONT'D)
<HUMMING HAPPILY>

Then she takes another piece and puts it a little further away from the bush and closer to her. And then another and another. There is now a trail of sandwich pieces leading from the bush to her.

Twinkers emerges from the bush once again and approaches the first bit of sandwich. He looks over at Wish Cub who nods approvingly. (Wish Cub continues humming so as not to distract from her plan working!)

WISH CUB
<HUMMING HAPPILY>

Twinkers gobbles up the first bit of bread...

TWINKERS
<MUNCHING!> Mmmm! <GULP!>

As Wish Cub continues to <HUM>, he gobbles up the next piece, and the next piece and the next piece until Twinkers has eaten all of the sandwich bits...

TWINKERS
<SLURP!> <SLURP!> <SLURP!> <SLURP!>
<SLURP!> <SLURP!> <SLURP!> Mmm!
<GULP!>

... And is now next to Wish Cub.

WISH CUB
Want some more?

Wish Cub offers another bite of her sandwich...

TWINKERS
Mm hm!

... but Twinkers gobbles the whole thing up in one motion!

TWINKERS
<SLURP!> <GULP!>

WISH CUB
(impressed)
WOW!

Having gotten over his fear, Twinkers jumps into her lap, like a puppy.

TWINKERS
(at ease)
<SIGHS>

He then jumps up into Wish Cub’s arms and gives her a big hug. Wish Cub is touched:

WISH CUB
<SIGH> Would you like to be my friend?

Twinkers nods happily.

TWINKERS
Mmmmmm!

WISH CUB
You would! <GIGGLE!> Wow! I'm gonna call you...
(thinking...)
Twinkers!

Twinkers circles around Wish Cub and flits up in the air and gives a little spin. He's that happy.

TWINKERS / WISH CUB
<GIGGLE>

WISH CUB
<SIGH> You know what I wish? I wish we could be together forever.

TWINKERS / WISH CUB
<REACTIONS> / <GIGGLE>

Twinkers circles Wish Cub and then darts up into the air.

TWINKERS
WHOOOA!

Suddenly, he starts to trail twinkling stardust and glow brightly. Then POOF! With a flash, Twinkers flies right back down into Wish Cub with such force that Wish Cub tumbles backwards.

WISH CUB
Whoa! Oof! <GIGGLE>! I get it! <GIGGLE> You're a wishing star! <GIGGLE>

Wish Cub sits back up and looks cross-eyed at Twinkers, who is now attached to her tummy. She giggles.

WISH CUB (CONT'D)
(correcting)
No... I meant that I want us to be friends forever, not for you to be stuck on my tummy forever!

Twinkers smiles, nods, lights up again and pops off of Wish Cub's tummy.

Suddenly, Wish Cub's tummy symbol begins to glow. With a sparkly flash, her tummy symbol (which only had a rainbow on it) now has the addition of a star at the end of the rainbow.

WISH CUB
<GASP!> Look!... It's you! I guess that means my wish came true! We're going to be together forever!

PUSH IN on Wish Cub's new tummy symbol as we...

DISSOLVE TO:

EXT. WISH BEAR'S HOUSE / BALCONY - NIGHT

WISH BEAR
-- best friends.

Wish Bear is looking through her telescope. With her are GRUMPY BEAR, CHEER BEAR, BEDTIME BEAR, FUNSHINE BEAR, HARMONY BEAR and TENDERHEART BEAR; all taking turns looking at the light-show that is the nighttime sky over Care-A-Lot.

TENDERHEART BEAR
<SIGH> I love that story. It always brings a <SHUDDER>
(chokes up)
... tear to my eye.

HARMONY BEAR
Mine too! It's such a happy story, it makes me wanna sing!
(singing:)
LA-LA-LA-LA-LA-LA-LA-LA-LA-LA-LA-LA-LA-LA-LA-LA-LA-LA-LA-LA-LA-LA!!

GRUMPY BEAR
I know. It almost makes me less grumpy... Almost.

CHEER BEAR
What happened to the big wishing star?

WISH BEAR
“Big Wish?” She’s still up there, keeping her eye on Twinkers and all the other wishing stars.

BEDTIME BEAR
(yawning)
<YAWN> Well, you know what *I* wish for?

FUNSHINE BEAR
An air mattress, some flannel pajamas and a warm glass of milk?

The Care Bears GIGGLE.

CARE BEARS
<GIGGLING>

BEDTIME BEAR
Huh? Heh-heh. Popcorn. Nothing goes with a good story like popcorn. <YAWN>

TENDERHEART BEAR
<LAUGHS>

WISH BEAR
Popcorn? Comin’ right up!

Wish Bear turns to Twinkers.

WISH BEAR (CONT’D)
Twinkers!... I wish that there will be enough popcorn for everybody.

CHEER BEAR
Uh, Wish Bear? Should you be using your wishes for something easy like making popcorn?

WISH BEAR
Don’t worry. I’m a trained professional!

Twinkers smiles, rises up into the air and spins around, throwing off stardust...

TWINKERS
<SPIN WALLA>

... and then POOF! a flash of light! Twinkers floats back down to the Care Bears.

CARE BEARS
(impressed)
Ahhhhhh!

The Care Bears exchange glances as they hear a not-too-distant <RUMBLING>. It sounds like there's a FREIGHT TRAIN headed their way!

CUT TO:

EXT. WISH BEAR'S HOUSE

The house shakes and quakes and after a few tense moments, the <RUMBLING STOPS>. All is silent.

EXT. WISH BEAR'S HOUSE / BALCONY - NIGHT

The Care Bears all look at each other, somewhere between curious and concerned.

BEDTIME BEAR
Wish Bear? What was all that?

Suddenly, the <RUMBLING> starts up again as EXPLOSION OF POPCORN shoot out the chimney of Wish Bear's house!

CARE BEARS
<GASPS> / Ohhhhh!

Popcorn rains down on the Care Bears like a torrential downpour!

FUNSHINE BEAR
WOOOOOOW!

WISH BEAR
Twinkers! When I wished for enough popcorn for everybody...

(Even though it was *his* wish, Bedtime Bear has nodded off.)

WISH BEAR / BEDTIME BEAR
I meant everybody *here*; not everybody in Care-A-Lot. /
<SNORING>

Twinkers gives a little shrug and makes a NOISE that sounds suspiciously like...

TWINKERS
<OOPS...>

Funshine Bear catches a kernel in his mouth.

FUNSHINE BEAR
Mmmmm! Extra buttery!

DISSOLVE TO:

INT. WISH BEAR'S HOUSE - MORNING

It's now the next day, and in a MUSICAL MONTAGE we get to see Wish Bear and Twinkers's morning routine:

A) BEDROOM -- In CLOSE-UP, we see a HEART-SHAPED ALARM CLOCK (on a night stand) rattle and <RING> as the alarm bells quiver. A furry paw reaches INTO FRAME and shuts it off. The CAMERA PULLS BACK to reveal Wish Bear stretching.

WISH BEAR
<YAWN!>

Wish Bear dozily gets out of bed just in time for Twinkers alarm clock to <RING> in the start of a new day! PULL BACK TO REVEAL each has their own perfectly-sized bed with matching nightstand and alarm clock.

Twinkers continues to doze.

TWINKERS
<SNORING>

Wish Bear lovingly pokes Twinkers who rolls over and pulls his blankets up higher.

TWINKERS (CONT'D)
<SIGHS>

After a moment, Twinkers springs up, wide awake!

TWINKERS (CONT'D)
Hm?!

... and zips off after Wish Bear.

B) WASHROOM -- Wish Bear finishes brushing her teeth. They <GLEAM> brightly! Wish Bear walks over to Twinkers (who is at a perfectly-sized sink and mirror) and helps him brush his teeth. They also <GLEAM> brightly!

C) KITCHEN -- Working like a perfectly synchronized team, Wish Bear and Twinkers prepare breakfast together.

We can tell that these two work together like a well-oiled machine.

Heart and star shaped bread goes down into the toaster as Twinkers leads the milk and orange juice out of the fridge and pours it into their glasses.

The toast pops up and Wish Cub catches all four pieces on two plates. She carries it to the table where Twinkers licks his lips in anticipation!

TWINKERS
<LICKS HIS LIPS>

Without hesitation, he <SLURPS> up his star-shaped toast!

TWINKERS (CONT'D)
<SLURP!> <GULP!>

This section ends with both Wish Bear and Twinkers sitting at the kitchen table where they clink their orange juice glasses together in a little toast before settling down to enjoy their meal.

TWINKERS
<LONG SLURP ON STRAW>

D) FRONT OF WISH BEAR'S HOUSE -- The MONTAGE ENDS as Wish Bear and Twinkers leave the house together, merrily going for a walk around Care-A-Lot. Twinkers is temporarily distracted by a beautiful butterfly before resuming his position next to Wish Bear.

MONTAGE ENDS.

EXT. FOREST - DAY

Wish Bear and Twinkers pass through the brightly-colored Care-A-Lot forest. <BIRDS CHIRP> as they walk along the path that leads to Share Bear.

Share Bear carries buckets to a few trees, which have wooden "taps" knocked into them.

WISH BEAR
Good morning, Share Bear!

SHARE BEAR
Good morning, Wish Bear. Good morning, Twinkers!

Twinkers gives a little wave with his "arm."

TWINKERS
<SQUEAK>

WISH BEAR
How's it going?

SHARE BEAR
Pretty good, except my sap isn't flowing as nicely as I'd like it to.

WISH BEAR
(sincere)
Oh, dear! Have you seen a doctor?

SHARE BEAR
Huh? Oh! <GIGGLE> I didn't mean my sap, I meant my trees' sap!

She points at a tap, which drips a single, lonely, rainbow-colored drop of sap into the bucket. Wish Bear turns to Twinkers as they both get it.

WISH BEAR
Ohhhhhh. <GIGGLE>

SHARE BEAR
Without rainbow sap, I can't make rainbow syrup. And without rainbow syrup, I can't make rainbow lollypops.

WISH BEAR
(panicked)
<GASP!> No rainbow lollypops?!
(driven)
Well, that's not gonna happen; not on my watch! Twinkers!

Twinkers snaps to attention.

WISH BEAR (CONT'D)
(to Twinkers)
I wish that Share Bear gets plenty of rainbow sap!

Twinkers nods. He begins to glow as he rises in the air and spins, trailing a cascade of stardust.

TWINKERS
<SPIN WALLA>

On his decent, he weaves in and out of the trees, causes them to glow for a few moments before they fade back to their normal lighting. Beyond that, they appear normal and unaffected.

Twinkers stops spinning, a little dizzy.

TWINKERS
<GROANS>

Wish Bear smiles proudly at him. Suddenly, a <RUMBLING> can be heard. Share Bear runs over to the tap on the tree as the sap starts <GLUB, GLUB, GLUBBING> out!

SHARE BEAR
<GASP!>

Wish Bear smiles.

WISH BEAR
Our work here is done! C'mon, Twinkers. See you later, Share Bear.

SHARE BEAR
See ya! Thanks, Wish Bear.

Wish Bear and Twinkers continue on their way. As Share Bear empties two full buckets into a LARGE VAT. When she turns to head back to her trees, rainbow sap begins to flow from the taps *even faster*!

SHARE BEAR (CONT'D)
Uh oh...
(calling out)
Wish bear!?

Share Bear runs back and forth trying her best replace all the buckets on all the trees before they overflow.

SHARE BEAR (CONT'D)
<SQUEAL> WHAAAA! WHOA! Whoopsie-daisy!

But it's like a deluge of syrup as she now holds two buckets on each arm, one on a foot and another balances atop her head.

SHARE BEAR (CONT'D)
Woah-no!
(calling for help)
Wish Bear!!!

DISSOLVE TO:

EXT. CARE-A-LOT - DAY

By the town square, Wish Bear and Twinkers pass by Grumpy Bear who works away on something that looks suspiciously like a rocket. He's got his head buried inside a compartment as Wish Bear comes up behind him.

WISH BEAR
Good morning, Grumpy Bear!

GRUMPY BEAR
Huh?

CLUNK! Startled, Grumpy Bear hits his head against the inside of the compartment.

GRUMPY BEAR (CONT'D)
OOF! Ow...

He comes out into the open, rubbing his cranium.

GRUMPY BEAR (CONT'D)
It *would* be if I could get my newest invention to work.

WISH BEAR
What is it?

GRUMPY BEAR
It's a bubble-powered rocket ship!...
(deflated)
Only, it's got more bubble than power.

Grumpy Bear takes a hammerout of a toolbox and leans back into the compartment. Wish Bear turns to Twinkers.

WISH BEAR
<GIGGLE> Well, I think you and I know a way to fix Grumpy Bear's rocket, right Twinkers?

Twinkers flutters with excitement.

WISH BEAR
I wish that Grumpy Bear's rocket gets plenty of ZOOM!

TWINKERS
<GIGGLES>

Twinkers rises in the air and spins around trailing his signature, twinkling stardust.

TWINKERS (CONT'D)
<SPIN WALLA>

He starts to glow, and then explodes in a spiral up and down the length of the rocket ship before returning to Wish Bear's side, looking a little winded.

TWINKERS (CONT'D)
(exhausted)
<WHIMPER>

WISH BEAR
That takes a lot out of you, doesn't it, Twinkers.

Grumpy is distracted as he keeps adjusting. We HEAR HIS ECHOING VOICE from inside the compartment.

GRUMPY BEAR
(to himself)
More power... hmmm... <GROAN>

Wish Bear and Twinkers go down the stairs that lead from Grumpy's rocket and continue on their way.

WISH BEAR
Well, that ought to do it! Have a nice trip, Grumpy!

GRUMPY BEAR (O.S.)
Thanks....
(beat, then)
Huh?!

Grumpy Bear climbs back out of the compartment as it dawns on him...

GRUMPY BEAR
Nice trip?

Suddenly, the bubble-powered rocket's <ENGINE FIRES>! Bubbles shoot out in all directions!

As Grumpy Bear watches the rocket begin to lift off, he jumps up to reach the cockpit.

GRUMPY BEAR (CONT'D)
Wait! There's no one on-board you...

The tail fin of the rocket snags Grumpy Bear.

GRUMPY BEAR (CONT'D)
...STEEEEEEER!

Now he's onboard!

EXT. ROCKET - DAY

Straddling the fuselage and riding the rocket like an out of control horse, Grumpy is taken on a wild journey over Care-A-Lot.

GRUMPY BEAR
(wild)
<GRUNTING>

He holds on for dear life as the rocket flies this way and that, spewing bubbles in all directions.

GRUMPY BEAR
WIIIISSH BEAAAAAARRRRRR!!! AY, YIE, YIE, YIE, YIE, YIE YOWWWW!

The rocket dives down and through...

EXT. CARE-A-LOT - DOWNTOWN

It's a carnival! Friend Bear licks a giant lollypop while a carousel full of Care Bears spins in the background.

Grumpy's rocket... rockets through the scene and O/S!

GRUMPY BEAR
COMIN' THROOOOUGH!.....

It's awesome power knocks Friend Bear to the ground and spins the carousel out of control!

FRIEND BEAR / CARE BEARS
AHHHH! / <SCREAMS>

CUT TO:

EXT. CARE-A-LOT - ANOTHER PART

Funshine Bear and Tenderheart Bear sit together at a little outdoor patio set, having a tea party.

FUNSHINE BEAR
More tea?

WHOOOSH!...

GRUMPY BEAR
HEADS UP!!

The rocket blows past them and when it clears, they are both covered in clusters of <POPPING> bubbles. (One of the bubbles elevates the teapot in mid-air!)

BACK ON THE ROCKET -

GRUMPY BEAR
Sorry!!

CUT TO:

EXT. CARE-A-LOT - PLAYGROUND

GOOD LUCK BEAR is on a swing, with CHAMP BEAR behind, pushing.

GOOD LUCK BEAR
C'mon, Champ Bear. <LAUGH> Push harder!

CHAMP BEAR
You got it! <EFFORT GRUNTS>

WHOOOSH! The rocket blows past them and the swing does several complete loops up and around the top bar.

GOOD LUCK BEAR
WOAH!--WOAH!--WOAH!--WOAH!--WOAH!!

When it comes to a stop, the swing now has Good Luck Bear tied up in a neat bundle to the top bar.

GOOD LUCK BEAR (CONT'D)
(dazed)
<GROAN> I think that was a little <u>too</u> hard.

BACK ON THE ROCKET --

As it continues to fly uncontrollably, Grumpy sees he's headed for the tree tops!

GRUMPY BEAR
Oh no!!

Grumpy's rocket crashes the trees O/S. (Leaves fly through the frame.)

GRUMPY BEAR (O/S CONT'D)
<MOANS & GROANS> Ouch! <MOANS>

Down below, Share Bear continues to dump full buckets of Rainbow Syrup into a large vat.

BACK ON THE TREE TOPS...

GRUMPY BEAR (O/S CONT'D)
<GROANING> Owww!

... as Grumpy is ejected from the rocket and plummets toward the giant vat of Rainbow Syrup!

GRUMPY BEAR (CONT'D)
(scream)
AHHHHHHHHHHHHH!
(then)
<IMPACT GRUNT>

<SPLATT!> Syrup flies everywhere.

Grumpy's head emerges from the sticky syrup:

GRUMPY BEAR (CONT'D)
Rainbow Syrup.

Just then, Share Bear (O/S) tosses a bucket of syrup into the vat, before noticing that Grumpy has fallen in.

GRUMPY BEAR (CONT'D)
Mmmm. My favorite.

EXT. CARE-A-LOT CASTLE - DAY - ESTABLISHING

TRUCK IN on Care-A-Lot Castle.

DISSOLVE IN ON:

INT. CARE-A-LOT CASTLE - DAY

Champ Bear glides down a rainbow slide that leads into the Care-A-Lot meeting room.

CHAMP BEAR
WA-HOOOOE! YEAH! <CHUCKLES>

He lands on a floating cloud that carries him toward the assembled crowd of Care Bears (who are all sitting on floating clouds... except Bedtime Bear. He's *sleeping* on his!

Champ Bear floats next to a hovering cloud podium that has a gavel rested on top.

CHAMP BEAR
<CLEARS THROAT> I'd like to call this weekly meeting of the Care-A-Lot Steering Committee, to order.

Champ Bear his the gavel on the podium. Instead of a solid "BANG" it makes a funny <SQUEAK> (like one of those toy hammers). The Care Bears <GIGGLE>.

CARE BEARS
<GIGGLING>

Champ Bear smirks.

CHAMP BEAR
Funshine!

FUNSHINE BEAR
(laughing)
<LAUGHS> Sorry about that. I just love those things.

Funshine Bear hands Champ Bear the *real* gavel. Champ Bear hits this one on the podium and it makes a satisfying wooden <BANG>.

CHAMP BEAR
All right. First thing's first; old business?... Anybody?

LOVE-A-LOT BEAR raises her hand.

LOVE-A-LOT BEAR
Ooh! Ooo, ooo!

CHAMP BEAR
The floor recognizes: Love-A-Lot Bear.

Love-A-Lot's cloud floats to the front of the assembly. She reads from a note pad.

LOVE-A-LOT BEAR
Thank you, Mr. Chair-Bear. Just an update on the plans for the visit from Princess Gig of Joke-a-lot: We've ordered extra cream pies and Funshine Bear assures me...

Funshine takes several bows as Love-A-Lot talks about his participation.

LOVE-A-LOT BEAR (PARTIAL O/S CONT'D)
... that all of our dribble glasses and joy-buzzers will be in position for her arrival next month.

The Care Bears all <CHEER> and <APPLAUD>.

CARE BEARS
<CHEER>

Love-a-lot Bear blushes as she moves back out of the spotlight.

LOVE-A-LOT BEAR
<SHY GIGGLES>

CHAMP BEAR
Why, thank you for that update! On to new business.

Tenderheart Bear clears his throat raises his hand.

TENDERHEART BEAR
<CLEARS THROAT>

CHAMP BEAR
The floor recognizes: Tenderheart Bear.

TENDERHEART BEAR
Now, I don't want anyone to get worried, however...

Tenderheart floats his cloud into the spotlight to address the crowd:

TENDERHEART BEAR (CONT'D)
... we seem to be having a *little* problem with the "Care-O-Meter."

Tenderheart points as the CAMERA PANS to the "Care-O-Meter;" a heart-shaped gauge (with a large needle) that has a sun, rainbows and hearts on one side, and storm clouds and darkness on the other.

TENDERHEART BEAR (CONT'D)
The needle's moved *away* from the rainbow side, and has moved closer to the rain *clouds* side.

FRIEND BEAR
<GASP!> You mean, somewhere in Care-A-Lot, there isn't as much caring as their should be?!

GRUMPY BEAR
Well, there goes the neighbourhood!

TENDERHEART BEAR
Let's not get too worried. Sometimes, we just need a little reminder about what caring is all about.

GOOD LUCK BEAR
I've got an idea! How about we make this "Show How Much We Care Month?" We can all make an *extra* effort to show how much we care.

CHAMP BEAR
That sounds great, Good Luck Bear. Let's take a vote. All in favour of making this month "Show How Much We Care Month", please raise your paws.

Without exception, the CAMERA PANS to see all of the Care Bears raise their paws.

TENDERHEART BEAR
Well then, it's unanimous!

WISH BEAR
Excuse me, uh, Mr. Chair-Bear?

CHAMP BEAR
Yes, Wish Bear?

WISH BEAR
You know, if you want I can just make a wish for some more caring in Care-A-Lot, and then Twinkers could...

Before she gets a chance to finish, Share Bear, Grumpy Bear, and Friend Bear interrupt.

GRUMPY, SHARE, LOVE-A-LOT & HARMONY
(quickly)
NO!

Wish Bear looks at her friends, a little shocked at this outburst.

GRUMPY BEAR (O.S.)
Your wishes always...

Share Bear interrupts Grumpy, afraid he'll offend Wish Bear:

SHARE BEAR
Uh, what we mean is...

But she can't find the words either. It's Friend Bear to the rescue:

FRIEND BEAR
Well... sometimes your wishes don't *quite* work out the way you want them to...

GRUMPY BEAR
... or the way <u>anyone</u> wants them to.

SHARE BEAR
Besides! If you love something, working hard to help make it better and not just wishing for it to get better, is a great way to show how much you care. <SWEET GIGGLE> Don't you think?

All eyes turn to Wish Bear, who looks a little surprised and hurt at this exchange.

WISH BEAR
(caught off-guard)
Oh. (beat) I... suppose.

CHAMP BEAR
Well then, it’s settled! I officially announce the start of “Show How Much We Care Month.” Meeting adjourned!

He brings down the gavel which <SQUEAKS> again.

CARE BEARS / CHAMP BEAR
<LAUGH> / (annoyed) Funshine!

EXT. CARE-A-LOT - DAY

The Care Bears, in groups of two and three, merrily leave Care-A-Lot Castle.

Wish Bear and Twinkers are the last ones to leave. Both look downcast.

WISH BEAR
(upset)
<SIGH> I didn’t know... they didn’t like our wishes, Twinkers.

Wish Bear and Twinkers watch as the others head back to their homes. MUSICAL NUMBER ONE begins. As Wish Bear walks back to her house with Twinkers, she takes us on a mini-tour of some of the parts of Care-A-Lot we haven’t yet seen; all the while singing a song about the power and beauty of wishing:

WISH BEAR (CONT’D)
What's wrong with a wish
Something nice for your friends
When the day's not so great
You can change how it ends

WISH BEAR (CONT’D)
It's a wonderful gift
To wish someone a wish
But it seems that not everyone sees it like this

DISSOLVE TO:

FANTASY SEQUENCE

Twinkers carries a swing on his arms/points and Wish Bear swings a-top Care-A-Lot’s clouds:

WISH BEAR (CONT'D)
I wish all my troubles away
All my dreams come true
I wish for blue skies every day
And I can wish it for you
Why would I wait
For what a wish can create

PULL BACK to reveal Wish Bear's swinging feet have carved a a trail/hole in the clouds in the shape of a wishing star.

WISH BEAR (CONT'D)
Why should I work so hard
I wish, cause wishing is great

DISSOLVE TO:

EXT. CARE-A-LOT - PLAYGROUND

Wish Bear hops off of Twinkers' swing as we dissolve to Wish Bear hopping off the swing in the playground.

She runs and jumps as she chases a playful Twinkers while the other Care Bears sweep and tidy in the BG.

WISH BEAR (CONT'D)
A wish is the best
No disappointments or tears

CUT TO:

As Wish Bear continues further into Care-A-Lot, the other Care Bears can be seen cleaning and working hard.

WISH BEAR (CONT'D)
If something bad happens
I just make it disappear

CUT TO:

Wish Bear bends down and delicately caresses a potted flower, not yet in bloom.

WISH BEAR (CONT'D)
If there's something I want
There's no reason to fret

Twinkers circles around the flower, trailing his magical stardust.

WISH BEAR (CONT'D)
There's no wish limit
on all the things I can get

Suddenly, the potted flower blooms and glows as other beautiful flowers bloom around it.

DISSOLVE TO:

Wish Bear bounces and frolics on the centre of a giant flower.

WISH BEAR (CONT'D)
I wish all my troubles away
All my dreams come true
I wish for blue skies every day...

DISSOLVE TO:

Wish Bear and Twinkers fly through the sky. Wish Bear flaps her arms as though they were wings - birds follow in behind.

WISH BEAR (CONT'D)
... And I can wish it for you
Why would I wait
For what a wish can create

DISSOLVE TO:

Twinkers creates a heart in the sky with his wishing stardust. Wish Bear flies through it.

WISH BEAR (CONT'D)
Why should I work so hard
I wish...

Wish Bear and Twinkers slide and glide on a giant rainbow.

WISH BEAR (CONT'D)
... cause wishing is great

DISSOLVE TO:

Wish Bear and Twinkers frolic in the starry cosmos.

WISH BEAR
When I wish it feels right
The whole world's shiny and bright
I know wishing makes
everything alright
Where there's a wish there's a way
So, I'll keep wishing each day

Wish Bear and Twinkers arrive at Big Wish...

MATCH DISSOLVE TO:

The star on Wish Bear's balcony. Wish Bear and Twinkers head down the steps that lead from the balcony to the ground.

WISH BEAR (CONT'D)
I wish all my troubles away
Doesn't anybody see
I wish for blue skies everyday
I wish there were others like me
Others like me
who love to wish all day long
Is there something I can do
Wish I knew...

With a few final thoughts about how she wishes there were Bears around who appreciated wishing as much as she does, our first musical number comes to a close.

MONTAGE ENDS

EXT. WISH BEAR'S HOUSE - DAY

Wish Bear stands with Twinkers at the bottom of the steps that lead from the balcony. Suddenly, an idea forms.

WISH BEAR
<GIGGLE> Twinkers, that's it! If there aren't any around who like wishing as much as *we* do, all we need to do is wish us up some more! Right?!

TWINKERS
(agreeing)
Mm-hm!!

WISH BEAR / TWINKERS
<GIGGLE> Okay! / <GIGGLE>

Twinkers seems as excited as Wish Bear. He stands at attention and gives a little salute, awaiting his orders. Wish Bear shuts her eyes and really gets into this one.

WISH BEAR (CONT'D)
I wish... for some more bears in Care-A-Lot, who really, really, REALLY love wishing!

Twinkers shoot straight up in the air...

TWINKERS
WWW-EEEE! HA HA! WEEEEEE!

... before descending back down to Wish Bear (almost knocking her over!)...

WISH BEAR
Woah!

... and then flies back up into the sky where he takes a <DEEP BREATH> before spinning (and sending off trails of stardust).

TWINKERS
<DEEP BREATH>
(then)
<SPIN WALLA>

And then... <BLAM!> PULL OUT TO REVEAL an explosion of light shooting out from Twinkers. (This, apparently, was one heck of a wish!)

CUT TO:

EXT. CARE-A-LOT - CHEER BEARS' HOUSE - CONTINUOUS

Cheer Bear is raking leaves when she stops to look into the illuminated sky.

CUT TO:

EXT. CARE-A-LOT - FOREST - CONTINUOUS

Share Bear is emptying Rainbow Syrup into the vat when she notices the bright glow emanating from the sky.

CUT TO:

INT. BEDTIME BEARS' HOUSE

Bedtime Bear is fast asleep in his bed until he is startled awake by Twinkers' bright glow that shines through his window.

BEDTIME BEAR
<SNORING> Huh?

Bedtime Bear turns to look at the mysterious glow and tumbles out of bed!

BEDTIME BEAR (CONT'D)
OOF!

CUT TO:

EXT. WISH BEAR'S HOUSE

Twinkers stops spinning and tumbles back to the ground.

TWINKERS
WOOOOOOOAH! WOAH!

Wish Bear looks up, concerned. She runs and tries to catch him...

WISH BEAR
Uh oh!...

... but she's not there in time and Twinkers lands safely in a cloud.

TWINKERS
WOOOOOOOOOOAH - OOOOH!

Wish Bear runs over to Twinkers.

WISH BEAR
<WORRIED GRUNTS>
(then)
<EFFORT GRUNTS> Oh, dear.

She pulls him out of the cloud. Twinkers is dizzier than we've ever seen him. Wish Bear gives him a big hug.

WISH BEAR (CONT'D)
(hugging Twinkers)
Mmmmmmm!

Twinkers perks up!

TWINKERS
<PERKY WALLA>

And he <LICKS> Wish Bear on the face, as if he were a puppy.

WISH BEAR
<GIGGLE>

The giggle-fest is interrupted when Wish Bear looks up as, from all directions, the Care Bears arrive at her house as if responding to an emergency.

CHAMP BEAR (O.S.)
Wish Bear! Wish Bear! Is everything all right?

BEDTIME BEAR
<PANTING> I saw a bright flash... like lightning!
(slightly annoyed)
It woke me up.

FRIEND BEAR
I saw it, too.

TENDERHEART BEAR
We came as soon as we could.

CARE BEARS
<AGREEING WALLA>

WISH BEAR
No! No! Guys... everything is fine. Umm... I was just making a wish.

Suddenly, in the distance, <RUMBLING> can be heard.

FUNSHINE BEAR
It must have been a doozy!

Care-A-Lot shakes and quakes and Care Bears almost lose their balance. <BIRDS> fly from their homes signalling the forth-coming of... something.

All heads turn and watch as a cloud of dust seems to be closing in on them.

SHARE BEAR
(nervously)
Uh... Wish Bear? What did you wish for?

As the cloud of dust gets closer we see that there’s a vehicle of some sort in the center of it. It looks like a motorhome. This is the “CLOUD CAMPER”.

The Cloud Camper is a noisy vehicle that spews pollution in the form of little rain clouds. Its tires tear up the ground. Twinkers hides behind Wish Bear.

TWINKERS
Uh oh!

WISH BEAR
<GULP>!

With a WHEEZE and a SHUDDER, the cloud camper comes to a halt in front of the Care Bears. The spare tire on the back falls to the ground with a <THUD>.

There is a pause as the Care Bears stare at the mysterious vehicle.

CHAMP BEAR
(amazed)
WOOOAH!

And then like the mother ship cracking open, the door of the cloud camper opens.

TOO-LOUD BEAR
HEY!!

A red bear comes out of the camper: TOO-LOUD BEAR -- a gregarious character, prone to speaking loudly.

His volume startles Cheer Bear - she hops into Champ Bears arms!

CHEER BEAR
<GASP!>

TOO-LOUD BEAR
Now this is what I call a welcome!

Too-loud Bear jumps down from the camper and starts greeting and “shmoozing” with the Care Bears. He runs over to Grumpy:

TOO-LOUD BEAR
How’s it goin’?

Then to Funshine:

TOO-LOUD BEAR
Love that tummy symbol.

Funshine just stands there - not sure what to make of this.

TOO-LOUD BEAR (CONT’D)
HELL-O!
(then, he points a finger at her)
<CLICK> <CLICK>

TOO-LOUD BEAR (CONT’D)
My name is TOO-LOUD BEAR!

Suddenly, Too-Loud Bear pops up behind Cheer Bear and Laugh-A-Lot Bear.

TOO-LOUD BEAR (CONT'D)
Some people say it's because I'm too loud.
(then, louder)
Isn't that a riot?! <LAUGHS UPROARIOUSLY>

Too-loud Bear <LAUGHS UPROARIOUSLY> and, well, very loudly as he spins Laugh-A-Lot and Cheer Bear around in circles.

TOO-LOUD BEAR (CONT'D)
Cracks me up, I'm tellin' ya!
(to Champ Bear)
What'd you say your name is again?

He points a digit at Champ Bear and gets him in the nose <SFX: SQUEAK>. Champ Bear looks stunned, like a deer caught in headlights.

CHAMP BEAR
Um, I'm, um, Champ Bear. <GIGGLES>
We're the Care Bears. And this is Care-A-Lot.

Too-loud Bear turns back to the cloud camper.

TOO-LOUD BEAR
Hey, Me Bear!

He <BANG, BANG, BANGS> obnoxiously on the front of the camper.

TOO-LOUD BEAR (CONT'D)
Did you hear that? This is "Care-A-Lot".

ME BEAR exits the Cloud Camper caring a hand mirror.

ME BEAR
(singing)
Me, Me, Me, Me, Me, Me, Me...

She's a prissy sort of bear who seems very pleased with herself to the point of preoccupation.

ME BEAR (CONT'D)
Care-A-Lot? What's in it for me?
(then, to her reflection in the mirror)
Me, me, me, me, me, me, me...

SHARE BEAR
Well... lots of things! This is a place for caring and...

TOO-LOUD BEAR
(interrupting)
That's swell. So tell me, *Chimp* Bear...

CHAMP BEAR
(correcting, nicely)
"Champ" Bear...

TOO-LOUD BEAR
... Whatever. Is this Care-A-Lot a nice place to live? Property values rising, good schools? You know the drill; location, location, location!

BEDTIME BEAR
<YAWN> Well, we like it here.

TOO-LOUD BEAR
Hey, I'm not keeping you up, am I?

WISH BEAR
<GIGGLE> No, that's Bedtime Bear. He's *always* tired.

Bedtime Bear decides it's a good time to take a nap.

BEDTIME BEAR
<SNORING>

CARE BEARS / CLUELESS BEARS
<LAUGH>

There laughing is interrupted by an O.S. <SNEEZE>.

MESSY BEAR (O.S.)
AHHH-CHOOOO!

The CAMERA WHIP PANS to the door of the Cloud Camper where MESSY BEAR now stands. Messy Bear is a walking dust-ball. He speaks with a nasal twang, as if he's got a cold, or a wad of dust up his nose.

MESSY BEAR
(continuing)
<SNIFFILNG> I'm Messy Bear. Who are you? ... And what's <u>that</u>?
<SNEEZE>-Oh...

Messy Bear points to Twinkers who circles around Wish Bear.

WISH BEAR
I'm Wish Bear and this is Twinkers. He's a wish star.

MESSY BEAR
Wow! You mean, you just wish on him <SNIFF> and get *everything* you want?

WISH BEAR
Yep!

ME BEAR
How wonderful! I'll give you a dollar for him.

WISH BEAR
<GIGGLE> He's not for sale.

ME BEAR
Two dollars... *Plus* an autographed picture of me.

Me Bear pulls out a head shot of herself smiling broadly. She starts to sign it, speaking aloud as she writes.

ME BEAR
To... Wish Bear... Best Wishes... Me Bear.

Twinkers hides behind Wish Bear.

WISH BEAR
(smiling)
I'm glad you like him so much, but he's really not for sale.

TOO-LOUD BEAR
A tough negotiator, eh? I respect that.

FUNSHINE BEAR
So, what brings *you* to Care-A-Lot?

The Clueless Bears look at one another and shake their heads.

TOO-LOUD BEAR
Don't know! We were just driving around, looking for a new place to call home, when we suddenly had an uncontrollable urge to come here.

MESSY BEAR
Almost like... we couldn’t resist it.

ANGLE - WISH BEAR AND TWINKERS

Who look at each other, excited.

WISH BEAR
(quietly)
<GASP!> Twinkers! These must be the bears we wished for!

Twinkers nods his head and does a few flips, also excited.

TWINKERS
<EXCITED WALLA>

TOO-LOUD BEAR
And I gotta tell you, I’m glad we couldn’t, because I like Care-A-Lot... A lot!

ME BEAR
Ooo, me too.

MESSY BEAR
Also me. <SNEEZE>

Messy Bear sneezes, and a cloud of dust is shaken off of his person.

CARE BEARS
<SNICKER>

TOO-LOUD BEAR
So... I think we’re gonna move in.

The Clueless Bears head back to the camper to get their things.

LOVE-A-LOT BEAR / CARE BEARS
YAY! / <CHEER>

A beat, and then a huge <CRASH!!> as all the Clueless Bears’ belongings are thrown onto the ground.

MESSY BEAR
<SNEEZE>

BEDTIME BEAR
What’s all that?

Too-Loud Bear stands atop the giant pile of stuff.

TOO-LOUD BEAR
Our new house! <EFFORT GRUNT>

He tosses an item down to the ground.

TOO-LOUD BEAR (CONT'D)
Seeing how we're settling here, we're gonna have to build it.

The Care Bears all nod in agreement.

WISH BEAR
You know, Twinkers and I could just *wish* it built for you.

MESSY BEAR
Really?

WISH BEAR
Yep!

TENDERHEART BEAR
But don't you think it would show how much we all care if we work on it together? After all, this is "Show How Much We Care" month.

CHEER BEAR
Also... it'll be fun!

CARE BEARS
<CHEERS>

While the Care Bears cheer, Wish Bear looks upset.

WISH BEAR
(defeated)
No wishing? ... I guess...

Too-loud Bear takes charge with a bull horn.

TOO-LOUD BEAR
All right everybody; quit standing around looking like a bunch of stuffed toys at a yard sale...

The Care Bears freeze for a beat.

LOVE-A-LOT BEAR
(softly, to Funshine Bear)
What's a "yard sale"?

FUNSHINE BEAR
What's a "stuffed toy"?...

Back on Too-Loud Bear with his bullhorn:

TOO-LOUD BEAR
Come on! Let's get to work!
(even louder!)
MOOVE OOUT!

EXT. CARE-A-LOT - MONTAGE

As a BOUNCY TUNE PLAYS, we see the Care Bears build the Clueless Bears new home.

Too-loud Bear takes control, shouting orders at the bears through a bullhorn.

TOO-LOUD BEAR
(barking)
Let's go! Come on! Keep the beat!
Come on, let's go!

A) The floor pieces, which are rolled up like logs, are hustled into position and unfurled.

B) The walls are folded and lay flat. Funshine, Friend Bear and Share Bear unfold them.

FUNSHINE / FRIEND BEAR / SHARE BEAR
<EFFORT GRUNTS> <EFFORT GRUNTS>

C) PAN OUT TO REVEAL that all the Care Bears have unfolded all the walls.

TOO-LOUD BEAR
Lift `er up! Lift `er up!

D) All the Care Bears, three at a time, grab a wall and lift it, making a sort of pop-up house.

CARE BEARS
<EFFORT GRUNTS>

TOO-LOUD BEAR
There! Push, push!

E) Messy Bear and Me Bear watch from the sidelines. Messy Bear eats potato chips and Me Bear holds a parasol.

TOO-LOUD BEAR (O/S CONT'D)
Almost there! Almost there!

CARE BEARS
<EFFORT GRUNTS>

F) Too-Loud Bears stands on the floor of the house as the walls are erected around him. The kitchen sink, counters and refrigerator all pop out into place.

G) The pieces of the first floor roof (second level floor) fall together like giant jigsaw puzzle pieces. Too-Loud Bear escapes before it traps him in!

TOO-LOUD BEAR
YIIIIIIIIIIKKKES!

H) Bedtime, Grumpy, Funshine and Friend Bear run up the new stairs and finish “popping out” the top floor walls.

I) Bedtime Bear folds out the bedroom and decides it’s a good time to test out the new bed!

TOO-LOUD BEAR
Let’s go! Come on!
(then)
Come on! Let’s go!

J) Harmony, Good Luck and Champ Bear carry in the windows and install them while Messy Bear and Me Bear watch from the sidelines.

K) Me Bear and Messy Bear enjoy their reflections in the new windows.

ME BEAR
(on window)
<HOT BREATH>

MESSY BEAR
<EATING CHIPS>
(then, on window)
<HOT BREATH>

L) The Bears are all gathered outside and looking up into the sky:

TOO-LOUD BEAR
(to the sky)
Okay! Lower away!!

M) Good Luck Bear hovers above in the SHAMROCK HELICOPTER, and lowers the dome-like roof onto the newly completed structure.

TOO-LOUD BEAR (CONT'D)
HEADS UP!!

The Bears run for cover...

CARE BEARS & CLUELESS BEARS
YAAAAA!

I) And as the MONTAGE ends, all of the Care Bears and Clueless Bears gather back around outside the house to admire their hard work.

LOVE-A-LOT BEAR
Yahoo!

CHEER BEAR
Yipee!

CARE BEARS
(wild cheering)
Yay! / Wow!

TOO-LOUD BEAR
Home, sweet home!

Me Bear and Messy Bear victory <SLAP> Too-Loud Bear's paws.

INT. CLUELESS BEARS'S HOUSE - BEDROOM

As the Bears continue to <CHEER> out front, Bedtime Bear stirs for a brief moment...

BEDTIME BEAR
Huh?
(then)
<SNORING>

... before falling back asleep!

DISSOLVE TO:

EXT. WISH BEAR'S HOUSE - NEXT MORNING

It's a beautiful morning! Birds <CHIRP> as they flutter in the sky.

Wish Bear's in a fine mood as she exits her house carrying a steaming, homemade pie.

TWINKERS
Hey!

WISH BEAR
Whoops!

Wish Bear forgot Twinkers! She opens the door and he joins her down the front steps as Wish Bear sings a cheery, familiar tune.

TWINKERS
<GIGGLE>

WISH BEAR
(singing)
If wishes were fishes, and soup bowls were dishes, I'd make something delicious, for yooooou...
<HUMMING>

EXT. CARE-A-LOT / ROAD - DAY

Wish Bear and Twinkers walk down a path towards the Clueless Bear's house.

EXT. CLUELESS BEARS' HOUSE - DAY

As Wish Bear approaches the house we see Messy Bear painting a portrait of Me Bear.

MESSY BEAR
(as he paints)
<HUMMING>

PAN OVER TO:

Me Bear sitting on a chair (still holding her hand mirror), posing for Messy Bear.

ME BEAR
How's it looking, Messy Bear?

Messy Bear pokes his head out from behind the canvas.

MESSY BEAR
<SNEEZE> Very, uh, colourful!

Unfortunately, Messy Bear has at least as much paint all over himself and the ground as he does on the canvas. Me Bear continues to admire herself in the mirror.

ME BEAR
Ooh! I can hardly wait to see me!

Suddenly, Too-Loud Bear yells from O/S!

TOO-LOUD BEAR (O.S.)
YEEEEE-HAAAA!

CUT TO:

Too-Loud Bear, lounging in the pool.

TOO-LOUD BEAR
Me Bear...Come on in the pool. The water's great! WHOA!

MESSY BEAR
Maybe later...

ME BEAR
Messy Bear still has another six portraits of me to do before lunch.
(seeing her reflection)
Oh! Me!
(kissing her reflection)
<KISS>

MESSY BEAR / WISH BEAR
<HUMMING> / Uh... Good morning!

Too-loud Bear looks up and sees Wish Bear. He stands up out of the water, which turns out to only be about knee-deep.

TOO-LOUD BEAR
Hey! It's Wish-A-Lot Bear and Twinkles!

WISH BEAR
Just "Wish Bear". Wish-A-Lot's my uncle. And *this* is Twinkers.

TOO-LOUD BEAR
Whatever.

Me Bear looks up from her reflection long enough to notice the pie.

ME BEAR
<GASP!> What *is* that? A welcome present? For me?! How wonderful! How thoughtful!!

WISH BEAR / MESSY BEAR
<GIGGLE> Actually, it's for all of you. / <SNIFFING>

Me Bear seems disappointed that it’s not all for her. She’s suddenly less enthusiastic.

ME BEAR
(feigning cheer)
How wonderful... how thoughtful...

MESSY BEAR
What type of pie is it?

WISH BEAR
It’s an apple pie.

TOO-LOUD BEAR
Did you... wish it up?

WISH BEAR
Nope! I made it with my own two paws...

Twinkers whispers something to Wish Bear:

TWINKERS
<WHISPERS>

WISH BEAR
Oh! ...And Twinkers’s five points.

Twinkers wiggles his points.

TWINKERS
<GIGGLES>

ME BEAR
Did you say “apple?”

WISH BEAR
Yes! I hope that’s okay.

ME BEAR
(congenially)
I’m sure you do. Unfortunately, I can’t eat apple.
(explains)
Acid reflux. <SMALL, FAKE COUGH>

WISH BEAR
Really? That’s too bad.

ME BEAR
Now, if it was *blueberry*...

Wish Bear thinks for a moment and then smiles.

WISH BEAR
Blueberry? Not a problem. Twinkers! I wish for this pie to be a big blueberry pie!

Twinkers smiles, spins, and begins to glow.

TWINKERS
<SPIN WALLA>

He circles his magic stardust around the pie. The Clueless Bears are very impressed.

ME BEAR
Wow!

MESSY BEAR
Do you see this?

TOO-LOUD BEAR
I'm standing right here, aren't I?

POOF! With a puff of smoke and some more sparkles, the pie is magically turned into a blueberry pie. More specifically, a pie made from a single, large blueberry! The top crust of the pie sits clumsily on top of the giant blueberry.

WISH BEAR
<GIGGLE> TA DA!

MESSY BEAR
Oh yeah!

TOO-LOUD BEAR
YES! Now that's what I call a *blueberry* pie!

ME BEAR
Looks to me more like a pie made from *one* blueberry...

MESSY BEAR
(agreeing)
Mm hm.

TOO-LOUD BEAR
Whatever.

MESSY BEAR
Well, I bet it tastes good.

Wish Bear is thrilled that the Clueless Bears are so impressed with her wishing.

WISH BEAR
I'm *so* glad you all like my wishes!

TOO-LOUD BEAR
Like `em?...
(over-joyed)
WE LOVE `EM!!!
(then)
The big question is...
(looking at Twinkers adoringly)
... Where did you get a star like Twitters?

WISH BEAR
(giggly, but slightly annoyed)
You mean "Twinkers"... And he's one of a kind! We first me a long time ago...

DREAM DISSOLVE TO:

EXT. CARE-A-LOT - FLASHBACK - DAY

MUSIC BEGINS, and just like at the start of the film...

WISH BEAR (V.O.)
... When I was just a Care Bear Cub.

... we see Wish Cub singing as she carries her picnic basket.

WISH CUB
(singing)
If wishes were fishes, and soup bowls were dishes, I'd make something...

The <MUSIC SCREECHES TO A HALT> as we...

SHOCK CUT TO:

EXT. CLUELESS BEARS' HOUSE - DAY

The action RESUMES right were we left off.

TOO-LOUD BEAR (V.O.)
(interrupting)
WHOA! Yeah, that's great. So bottom line: we can't get one.

WISH BEAR
Uhh... that’s right.

TOO-LOUD BEAR
That’s all you had to say!

Too-loud Bear quickly shuffles Wish Bear on her way.

TOO-LOUD BEAR (CONT’D)
Well then, we won’t keep you.
Thanks so much for the pie.
(to Twinkers)
Thanks also to you, Twittles.

WISH BEAR
(nicely)
“Twinkers.”

TOO-LOUD BEAR
That’s what I said.

WISH BEAR
Okay, we’ll see you later.

TOO-LOUD BEAR
Good bye!

Wish Bear and Twinkers leave. Twinkers squeaks out what sounds like “Good bye”.

TWINKERS
<GOOD BYE SOUNDING WALLA>

The Clueless Bears talk amongst themselves:

ME BEAR
Wow! Can you imagine all the great things I could have if I had my *own* Wish Star?

MESSY BEAR
How about how easy everything would be if all we had to do was *wish* for it?

TOO-LOUD BEAR
I hear ya... but “Sparkles” belongs to Wish Bear, so that’s that.

ME BEAR
(disappointed)
I guess so.

They’re all quiet for a moment.

TOO-LOUD BEAR
But then again... Wish Bear seems friendly enough; I’m sure she wouldn’t mind lending him to us if we *really* need him...

The Clueless Bear watch Wish Beat and Twinkers as they continue on their walk through Care-A-Lot.

WISH BEAR
<HUMMING>

DISSOLVE TO:

EXT. CARE-A-LOT CASTLE - DAY

To ESTABLISH. Various Care Bears can be seeing cleaning around the castle.

INT. CARE-A-LOT CASTLE - DAY

Champ Bear <WHISTLES> a happy little tune as he walks through the castle meeting room.

CHAMP BEAR
(happily)
<WHISTLING>

He looks up at the Care-O-Meter. A puzzled look comes to his face.

CHAMP BEAR (CONT’D)
Huh?

ON THE Care-O-Meter: The needle on the has moved even *further* away from the rainbow side, and closer to the storm cloud side.

CHAMP BEAR (O/S CONT’D)
(worried)
<GASP!> Oooh! What’s going on?!

Champ Bear moves in close to get a better look:

CHAMP BEAR (CONT'D)
(worried)
There's even less caring now in Care-A-Lot!...

EXT. WISH BEAR'S HOUSE - DAY

To ESTABLISH. Messy Bear, Me Bear and Too-Loud Bear <KNOCK> on Wish Bear's door.

INT. WISH BEAR'S HOUSE - DAY

Wish Bear's just gotten out of the bath and finishes wrapping her "hair" in a towel.

WISH BEAR
(calling out)
I'm coming!

Twinkers beats her to the door.

TWINKERS
WWWEEEEE!

Wish Bear arrives at her door and Twinkers moves out of the way. The Clueless Bears continue to <KNOCK>.

TWINKERS (CONT'D)
<GIGGLE> Ha Ha!

WISH BEAR
Who is it?

OUTSIDE WISH BEAR'S HOUSE -

(The SHOTS ALTERNATE RAPIDLY between the Clueless Bears outside and Wish Bear, inside.)

Me Bear admires her reflection:

ME BEAR
It's *Me* Bear.

WISH BEAR
Who Bear?

ME BEAR
Me Bear!

WISH BEAR
(confused)
You Bear?

ME BEAR
Yes!

Wish Bear looks confused. Tries again.

WISH BEAR
Who?

ME BEAR
Me!

WISH BEAR
Me?

ME BEAR
(frustrated)
Yes!

Twinkers WHISPERS something to Wish Bear.

TWINKERS
<WHISPERS>

Now she gets it.

WISH BEAR
(giggling)
Oh!

ME BEAR
I’m here with Too-Loud Bear and Messy Bear. We just stopped by to say... “hello”.

MESSY BEAR
Hello!

TOO-LOUD BEAR
Hello!

WISH BEAR
How nice! Just a second... I’m not decent.

Wish Bear tosses her towel O.S. and opens the door to greet her visitors.

WISH BEAR
What a nice surprise! Come on in!

The Clueless Bears enter Wish Bear's house.

ME BEAR / MESSY BEAR
Oooh! / <SNIFFLING>

They look around, impressed.

ME BEAR
Hey!

TOO-LOUD BEAR
Hmmmm! Nice joint.

MESSY BEAR
It's a little... *tidy* for my taste.

Me Bear gently elbows Messy Bear in the side, dislodging a cloud of dust.

MESSY BEAR
Ouch! (then) <STUTTERS> What I meant to say is: I just *love* what you've done with the place!

ME BEAR
(to Wish Bear)
We just wanted to pop over and say "thank you for all of your help".

MESSY BEAR
And for that delicious blueberry pie. Yum!

WISH BEAR
You're welcome! We're glad to help. Aren't we, Twinkers?

Twinkers nods eagerly.

TWINKERS
Hm-hm!

WISH BEAR
(whispering to Twinkers)
Besides, it's really nice to have some bears around here that appreciate my wishing.

Too-loud Bear now takes the lead. Throws an arm around Wish Bear's shoulder. Me Bear and Messy Bear get closer to the happy Wish Bear.

TOO-LOUD BEAR
I'm *really* happy to hear you say that, Wishy.

ME BEAR
There are just a few little things we need some more help with...

MESSY BEAR
... and a couple of wishes should take care of it!

WISH BEAR
(excited, giggly)
Really? Wishes? Where do I start?!

Wish Bear rubs her hands together, anticipating some serious wishing!

DISSOLVE TO:

EXT. CLUELESS BEARS' HOUSE - MORNING

The Clueless Bears lead Wish Bear and Twinkers to their house.

WISH BEAR
(disappointed)
Don't you... like the house? We all worked *so* hard on it...

TOO-LOUD BEAR
Oh, we *do* like it... ...mostly.

MESSY BEAR
It's feeling a little...<STUTTER> small.

ME BEAR
Yes! *I* barely have room for my armoire and divan!

TOO-LOUD BEAR
We were wishing for something a littllle...

MESSY BEAR
Bigger!

TOO-LOUD BEAR
More space to spread out!

WISH BEAR
Well, if it’s a bigger house you want, it’s a bigger house you’ll get!
(then)
Twinkers?...

Twinkers nods, listening:

WISH BEAR (CONT’D)
(continuing)
... I wish that our new neighbors have a bigger house.

Twinkers rises in the air and does his thing, trailing twinkling stardust as he spirals around the house...

TWINKERS
<DEEP BREATH>

... which begins to shudder and shake.

MESSY BEAR
Is that... normal?

WISH BEAR
In my world? Perfectly.

Twinkers continues to spin round and round in the air. Next door, Bedtime Bear tries to get some shut-eye.

BEDTIME BEAR
<SNORING> (then) <STIRRING NOISES> (then) <SNORING>

The Clueless Bears' house accordions outward, with layers and walls flipping and unfolding up and out.

TOO-LOUD BEAR
WOW!

ME BEAR
WEEE!

As everyone watches, the Clueless Bears' house transforms itself into a gaudy, oversized mansion. In it’s expansion attempts, it starts <THUMPING> into Bedtime Bear’s house next door!

INT. BEDTIME BEAR’S HOUSE - CONTINUOUS

Bedtime Bear is fast asleep in his bedroom, unaware of the thumping coming from the Clueless Bears' new house.

BEDTIME BEAR
<SNORING> (then) Huh? (and)
<STIRRING WALLA> (then) <SNORING>

Bedtime Bear doesn’t realize that his house is now tilting to one side.

EXT. CLUELESS BEARS' HOUSE - CONTINUOUS

The Clueless Bears' house finally stops growing, however it’s now a sprawling complex!

Enthused and appreciative, the Clueless Bears break out in APPLAUSE.

TOO-LOUD BEAR & MESSY BEAR / ME BEAR
<CHEER> / <CHEER> Bravo!
Bravissimo!

Twinkers is tuckered out.

ME BEAR
I couldn’t have done it better myself!

MESSY BEAR
You couldn’t have done it at all.

TOO-LOUD BEAR
Not without our little pal, Tiddly-Winks!

Wish Bear smiles, shyly.

WISH BEAR
Oh! <GIGGLE> Thank you. Glad to help!...

The CAMERA PANS UP from Wish Bear and the Clueless Bears to the Clueless Bear’s new mansion.

WISH BEAR (CONT’D)
(giggling)
... And it’s “Twinkers”.

TOO-LOUD BEAR
Whatever.

INT. CARE-A-LOT CASTLE - DAY

All the Care Bears have gathered in the meeting room.

CARE BEARS
<CONCERNED WALLA>

Champ Bear <THWACK! THWACK! THWACK! THWACK! THWACK!s> his gavel on the floating-cloud podium.

CHAMP BEAR
I call this emergency meeting of the Care-A-Lot Steering Committee, to order.

He <THWACK! THWACK! THWACK!s> his gavel once again.

GOOD LUCK BEAR
What's going on, Champ Bear?

CHAMP BEAR
Well, I know we've all been working really hard, but...

Champ Bear points up to the Care-O-Meter. The Care Bears are stunned.

CARE BEARS
<GASP!!>

GRUMPY BEAR (PARTIAL O.S.)
There's less caring happening in Care-A-Lot than before?!

FUNSHINE BEAR
(worried)
There's nothing funny about <u>that</u>.

HARMONY BEAR
You said it, Funshine Bear.

BEDTIME BEAR (PARTIAL O.S.)
I don't like to point paws at anyone, but there's been, kinda... a lot of wishes made around here, <SIGH>, without too much caring about what happens with them.

Twinkers looks at Wish Bear, worried.

WISH BEAR
Wishing?

GRUMPY BEAR
That's true. I don't want to make Wish Bear feel badly, but it's almost like wishing is becoming more important than working hard and doing things *right*.

CARE BEARS
<AGREEING MURMURS>

WISH BEAR
Ahem! I was just helping our new neighbors. Besides...
(softly)
They really like my wishes.

CHAMP BEAR
(thinking)
Hmmm. Well, in situations like this, there's only one thing to do.

Tenderheart Bear and Good Luck Bear look at each other for a moment and turn back to Champ Bear:

TENDERHEART BEAR & GOOD LUCK BEAR
(together)
Road trip?

CHAMP BEAR
No. Picnic!!

CARE BEARS
<CHEER>

CARE BEARS
(chant)
Pic-nic! Pic-nic! Pic-nic!...

CHEER BEAR
We'll invite Too-Loud Bear, Me Bear, and Messy Bear to a Care Bear Picnic, and tell them all about how we do things in Care-A-Lot to show that we care. What do you think, Wish Bear?

WISH BEAR
I...uh...

CHAMP BEAR
It’s settled then. Meeting adjourned.

Champ Bear brings the gavel down. <SQUEAK!>

CHAMP BEAR
(flustered)
Oh! Funshine!?

FUNSHINE BEAR
<GIGGLES>

DISSOLVE TO:

EXT. CARE-A-LOT CASTLE - DAY

CARE BEARS (V.O.)
(chant)
Pic-nic! Pic-nic! Pic-nic! Pic-nic! Pic-nic! Pic-nic! YAY!
<GIGGLE>

EXT. CARE-A-LOT FIELD - THE NEXT DAY

It’s another picture-perfect day! Birds soar through the air and <CHIRP> as the Care Bears arrive for their picnic: Harmony Bear carried by a big, heart-shaped balloon; Good Luck Bear in his helicopter; Funshine and Tenderheart Bear in a cloud car; and the other Care Bears on foot... except Bedtime Bear - his moon bed floats behind the others.

CARE BEARS
<CHEER> & <LAUGH>

Care-A-Lot Field is the Care Bear version of Central Park; a broad main field, trees along the perimeter, a pond, and a beautiful stream that flows through it.

The two groups of Care Bears (those who travelled by air, and those who travelled by foot) greet one another at the picnic spot.

CHEER BEAR
Good Morning!

Except Bedtime Bear... he continues to snooze.

BEDTIME BEAR
<SNORING>

A giant picnic blanket transitions us to the next scene...

CARE BEARS
<CHEER & LAUGH>

... where the Care Bears enjoy their sandwiches -- it’s a regulation picnic.

CARE BEARS
<GIGGLES & EXCITED WALLA>

Tenderheart is about to take a bite of his sandwich when...

TENDERHEART BEAR
(re: sandwich)
Mmmm...
(then, looking around)
Where are they?

WISH BEAR
I don’t know.

GRUMPY BEAR
I’m hungry. Are you sure we can’t start without them?

GOOD LUCK BEAR
It would be bad luck.

GRUMPY BEAR
(grumbling, suspicious)
I think you made that up.

FUNSHINE BEAR
Well, I hope they come soon. I can’t wait to get to dessert!

Funshine holds up a HUGE, beautiful wedding caliber-sized cake!

Share Bear turns to Wish Bear.

SHARE BEAR
Did you tell them *when* the picnic was going to be?

WISH BEAR
Yes.

GRUMPY BEAR
Did you tell them where we were having it?

WISH BEAR
Yes.

GOOD LUCK BEAR
Did you tell them who was coming to the picnic?

WISH BEAR
Yes!

LOVE-A-LOT BEAR
Did you tell them what to bring?

WISH BEAR
(getting flustered)
UGH! YES!

FRIEND BEAR
Did you tell them how to get here?

This brings Wish Bear to her feet, err, rear paws:

WISH BEAR
(big)
YES! I told them who, what, when, where, and how!

CHAMP BEAR
But, did you tell them "*why*" we were having the picnic?

WISH BEAR
(quieter)
Uh... I thought we should all do that together. <EMBARRASSED LITTLE GIGGLE>

Suddenly, the ground starts to shake and <RUMBLE>. Sandwiches dances around on plates. Thermoses shake and fall over.

TENDERHEART BEAR
Huh?

CHEER BEAR
WHAAAA! CLOUD-QUAKE!

FRIEND BEAR
Uhh!...

WISH BEAR
Whoa!

Grumpy realizes what's really going on.

GRUMPY BEAR
<GASP> Oh no!

They all turn and look toward the approaching <RUMBLE>.

GRUMPY BEAR (CONT'D)
Oh dear!

The Care Bears turn and see what Grumpy sees...

FRIEND BEAR
Oh, my!

It's the Clueless Bears' Cloud Camper cresting the hill. It bursts through some foliage and it's headed right for them!

Too-loud Bear (who's driving) happily (and obnoxiously) BLOWS the <AIR HORN> several times.

TOO-LOUD BEAR
OH YEAH!

CARE BEARS
(wild)
Ahh! / Run! / Out of the way! / Oh my! Look out!

The Care Bears huddle together, stunned, as Too-loud Bear drives the Cloud Camper right through the middle of the picnic blanket, flattening sandwiches and crushing picnic baskets before, with a <HISS of AIR BRAKES> the Cloud Camper comes to a stop... and <BACKFIRES LOUDLY>

Bedtime Bear *finally* wakes up.

BEDTIME BEAR
(sleepy)
<wakes up> Picnic time already?

The Care Bears move cautiously to the back of the cloud camper to inspect what's left of their picnic. Giant tire tracks run through their picnic blanket, and the sandwiches are squashed flat.

FUNSHINE BEAR
Well, at least they missed the cake.

Just then, the spare tire that hangs on the back of the Camper falls <SPLATT!> -- onto the cake.

With incredible good cheer, the Clueless Bears walk out of the cloud camper.

TOO-LOUD BEAR
Well, we're heee-rrre!

ME BEAR
It's ME! <GIGGLE>

TOO-LOUD BEAR
Let's eat! I'm starving!

He looks around at the stunned expressions on everyone's faces.

TOO-LOUD BEAR
What?

DISSOLVE TO:

EXT. CARE-A-LOT FIELD - LATER

The Care Bears sit around their picnic blanket with the Clueless Bears. While the Care Bears do their best job of eating their run-over sandwiches, the Clueless Bears go about their business of devouring their lunch.

TOO-LOUD BEAR / MESSY BEAR
<EATING NOISES>

Too-loud Bear talks loudly between bites of his monster sandwich.

TOO-LOUD BEAR (CONT'D)
... So, then Wish Bear tells Twiddles to make the house bigger, and WHAM! BAM! POOF! That little fellow goes to work spinning, and glowing, and zipping around like a crazy star. Ha, ha! Next thing we know, the house: is a mansion!!

TENDERHEART BEAR
Who's Twiddles?

MESSY BEAR
(eating)
Mmm... You know. The wishing star thingee.

WISH BEAR
(politlely correcting, giggly)
It’s “Twinkers”.

TOO-LOUD BEAR
Whatever. Bottom line is, I love that star!

ME BEAR
I really love that star!
(to Twinkers)
Don’t I?

PAN DOWN TO REVEAL Me Bear putting a little bow on his top point. (Twinkers looks like he’s in as much pain as a dog being forced to take a bath.)

TWINKERS
<WHIMPERS>

Champ Bear jumps in.

CHAMP BEAR
Well, something I love is Care-A-Lot.

LOVE-A-LOT BEAR
(agreeing)
Mm hm!

The Care Bears nod in agreement.

SHARE BEAR
And we *love* sharing it with new friends.

TOO-LOUD BEAR
Yeah! This is a great place to live. Messy Bear, Me Bear and I *really* like living here. Don’t we?

MESSY BEAR / ME BEAR
Mm mm! / <GIGGLE>

Messy Bear and Me Bear nod in agreement.

TENDERHEART BEAR
We’re really happy to hear that, but uhh-umm, there’s just a *few* things you need to know about Care-A-Lot.

WISH BEAR
Yeah! Like... how we do things around here to show that we care.

TOO-LOUD BEAR
Wishy! You nut! We already know how you do things around here.

GRUMPY BEAR
You do?

Too Loud jumps up.

TOO-LOUD BEAR
Sure!

WIDE SHOT as the Clueless Bears take off, <HONKING> as they go.

The Care Bears look around at Care-A-Lot Field where they had their picnic. Big tire tracks gouge the ground and there are wrappers and garbage left over from where the Clueless Bears picnicked.

TOO-LOUD BEAR (O.S.)
Weeeee! Woo hoo! Wippee!

FUNSHINE BEAR
Whoa!

PAN ACROSS the picnic debris. Ruined sandwiches and flowers everywhere.

LOVE-A-LOT BEAR
Ew! I can only imagine what the Care-O-Meter is doing right now.

CHEER BEAR
Well, I suppose it could be worse.

WIDE SHOT as Good Luck bear points to the sky.

GOOD LUCK BEAR
<CLEARS THROAT> You mean like that?

The other bears look up.

CARE BEARS
<GASP!>

UPSHOT s some storm clouds move in.

TENDERHEART BEAR
Oh, I think our new neighbors are so busy thinking about wishing, they haven't noticed what's happening to Care-A-Lot.

WIDE SHOT as Wish Bear slouches.

WISH BEAR
<SIGH> This is all my fault.

FRIEND BEAR
Oh Wish Bear, don't blame yourself.

WISH BEAR
(guilty)
But, <SIGH> I wished for some neighbours to move into Care-A-Lot who loved wishing as much as I do.

FUNSHINE BEAR
(chuckling)
On second thought, maybe you should blame yourself.

WISH BEAR
I'll just go tell them they need to do less wishing and more caring.

CHEER BEAR
That's the spirit!

WISH BEAR
(thinking)
Maybe I can just wish for them to wish less and care more!

The other Care Bears look at her with eyebrows raised.

WISH BEAR
<CHUCKLES> I guess that would be missing the point, huh?

The Care Bears nod in unison.

DISSOLVE TO:

EXT. CLUELESS BEARS' HOUSE - DAY

WIDE SHOT shows the three Clueless Bears on the front steps with Wish Bear and Twinkers below them.

CLUELESS BEARS
<LAUGHING UPROARIOUSLY>

TOO-LOUD BEAR (CONT'D)
That's the funniest thing I think I've ever heard! We love wishing too much?!

WISH BEAR (PARTIAL O.S.)
(laughing)
<LAUGHS> Yeah, I know, it *sounds* silly. But there has been an awful lot of wishing going on around here, and it does seem like the more I wish for things, the worse things get in Care-A-Lot.

TOO-LOUD BEAR
Well then, I know the perfect solution. *You've* got to stop wishing...

WISH BEAR
(pleased)
Exactly! I knew you'd...

ME BEAR
... and let *us* handle the wishing from now on.

WISH BEAR
(finishing deflated)
... understand?

TOO-LOUD BEAR (PARTIAL O.S.)
Sure! If you're having trouble controlling "Tuttles," maybe you should let <u>us</u> have him?

ME BEAR/MESSY BEAR
Oof!

TOO-LOUD BEAR
<GRUNT>

TWINKERS
<WHINING>

Twinkers doesn’t like the sound of this, and hides behind Wish Bear.

WISH BEAR
(nicely)
No, Twinkers and I are supposed to be together forever.

ME BEAR
(disappointed)
But I had some more things I wanted to wish for. <CHUCKLES>

WISH BEAR
But...

TOO-LOUD BEAR
And I was thinking about wishing up a motorcycle. A nice Loud one! Vroom, vroom vroom vroom....

ME BEAR
<CHUCKLING>

TOO-LOUD BEAR
Vroom, vroom, vroom...

MESSY BEAR
I had some things I wanted, too. <SINISTER CHUCKLE> Like hot dogs and hamburgers, and cupcakes. Oh yummy. Hey! <CHUCKLES>

CLUELESS BEARS
<LAUGHING> & <PANTING>

TOO-LOUD BEAR
C’mon, Wishy; just a few more wishes.

WISH BEAR
I just can’t.

CLUELESS BEARS
(disappointed)
Oh!

WISH BEAR (PARTIAL O.S.)
(flustered)
Look, I wish it was as easy as saying “I wish you all had Twinkers so you could all make all the wishes you wanted” but that’s *not* going to help Care-A-Lot...

TWINKERS
Uh oh.

The CAMERA RACES TO TWINKERS as a shocked looked comes to his face. As if against his will, Twinkers begins to rise into the air.

WISH BEAR (PARTIAL O.S.)
<GASP!> Twinkers? What are you doing?

Twinkers begins to spin and glow. He spirals around Wish Bear, throwing off stardust that zaps off Wish Bear’s tummy symbol...

WISH BEAR
<GASP!> Oh no.

... and transfers it to the tummies of Too-loud Bear, Messy Bear, and Me Bear!

ME BEAR
Oh me.

TOO-LOUD BEAR
Oh my.

MESSY BEAR
Oh boy!

MESSY BEAR
Nifty!

ME BEAR
Oh! <CHUCKLES>

Twinkers stops spinning as Too-Loud Bear admires his new tummy symbol.

TOO-LOUD BEAR
Well! Now I’ve seen *everything*.

Twinkers looks down at Wish Bear. He’s not happy about it either.

WISH BEAR
Twinkers! When I said “I wish you all had Twinkers” I didn’t mean for it to happen! I accidentally wished you away! <SOBS>

TOO-LOUD BEAR
(nicely)
Hey... that’s okay. Honest mistake. We’ll just wish him back to you.
(to the others)
Won’t we?

MESSY BEAR
Sure.

ME BEAR
Absolutely!

WISH BEAR
(relieved)
Oh. Thank you.

And then...

TOO-LOUD BEAR (O.S.)
After.

WISH BEAR
I missed that last part. “After” what?

ME BEAR
After we make just a *few* teeny-tiny wishes.

MESSY BEAR
Mm hm. Mm hm.

ME BEAR
Why don’t you swing back here tomorrow around four-ish, and we’ll wish him back to you then?
(in a baby-talk voice)
C’mon Twinkers, we’ve got some work to do.

Me Bear and Messy Bear lead Twinkers away. Wish Bear watches, helplessly. Before he leaves, Too-Loud Bear leans in.

TOO-LOUD BEAR
Better make it five-ish.

Wish Bear is completely deflated as she watches the Clueless Bears clumsily carry Twinkers O.S.

DISSOLVE TO:

EXT. WISH BEAR'S HOUSE - DAY (CLOUDY)

Funshine Bear <KNOCK! KNOCK! KNOCK!s> on Wish Bear's front door. We see he's carrying a pad and pencil. After no one answers, Funshine tries the front door. It's open so he enters slowly. The lights are out - it's very dark.

FUNSHINE BEAR
Uh... Wish Bear? I... came to see how it went with...

Wish Bear cowers in the corner. Funshine hits the light switch and sees...

FUNSHINE BEAR
<GASP!>

...Wish Bear, WITHOUT HER TUMMY SYMBOL!!

WISH BEAR
<GASP!> Don't look at me...I'm hideous! <GROANS>

FUNSHINE BEAR
(concerned)
Wish Bear? What happened to your tummy symbol?

Wish Bear lies down on the couch in misery.

WISH BEAR
<SIGH> I accidentally wished Twinkers away to Me Bear, Messy Bear, and Too-Loud Bear. They said I could have him back today around five-ish. <SIGH>

FUNSHINE BEAR
That explains what's going on with the Care-O-Meter!

Funshine reads to Wish Bear from the pad he's holding.

FUNSHINE BEAR
The Care-O-Meter has moved from “mostly caring” to “not caring enough.” Care-A-Lot is getting into big trouble!

WISH BEAR
I know, and it’s all my fault. I thought I knew how to control my wishing, but I didn’t. And without Twinkers, I’m not sure I even know how to care anymore.

Funshine sits down on a chair and crosses his legs. He puts on a nose, glasses and mustache disguise and now looks like a psychoanalyst.

FUNSHINE BEAR
Hmmm. Interesting. Tell me about “caring.”

Funshine holds up his pad and pencil, preparing to take notes.

WISH BEAR
I can’t. I feel all empty inside.

FUNSHINE BEAR
Interesting... Tell me about “empty inside.”

WISH BEAR
(distraught)
“Empty inside” means... I need Twinkers back. He’s my best friend.

FUNSHINE BEAR
Well, I think you should go over there and ask for him back. Now. Don’t wait for five-ish!

WISH BEAR
(hopeful)
Do you really think that would work?

FUNSHINE BEAR
Sure! Our new neighbors may be different from us, but they’re still nice. I’m sure if you ask they’ll wish Twinkers back to you right away.

WISH BEAR
(encouraged)
All right! I'm going to do it right now! Thank you, Funshine.

FUNSHINE BEAR
You're welcome.

WISH BEAR
You know, while you're here I was wondering if I could talk to you about something else.

FUNSHINE BEAR
Sorry. Time's up.

Funshine hops off the chair and walks O.S.

EXT. CARE-A-LOT - DAY

The dark clouds are becoming more and more ominous by the minute, and the SOUND OF <DISTANT THUNDER> can be heard.

WISH BEAR
This is getting really bad.

Wish Bear continues on her way towards the Clueless Bears' mansion. What she doesn't see as she goes is that the flowers by her feet are beginning to droop and lose their color.

EXT. CLUELESS BEARS' HOUSE - DAY

Wish Bear turns up the path to the Clueless Bears' house and freezes.

WISH BEAR
Oh no! What have they done now!

The CAMERA DOLLIES AROUND Wish Bear's back and we see what she does: the Clueless Bears have gone on a wishing binge! Their house is now bigger and gaudier than ever, with fountains and statuary adorning the yard. It's the size of Buckingham Palace, with smoke-spewing chimneys dotting the roof.

Neither Twinkers or the Clueless Bears can be seen.

WISH BEAR
This is awful.
(calling)
Twinkers?! Twinkers!

<VROOOM! VROOOM!> Wish Bear looks up and then quickly jumps out of the way as Too-Loud Bear drives up on a big, flashy motorcycle with a too-loud muffler that spews dark, polluting clouds.

Too-Loud Bear flips up the front visor of his helmet. SHOUTS to Wish Bear over the NOISE of the motorcycle.

TOO-LOUD BEAR
Wishy! How do you like it? I just wished this baby up! ISN'T IT GREAT?!

Too-Loud Bear REVS THE MOTOR. That's when Wish Bear sees SOUND WAVES BLASTING OUT OF THE TAILPIPE with such force, they knock the color out of some nearby flowers.

WISH BEAR
Stop!

TOO-LOUD BEAR
(straining to hear)
What was that?!

WISH BEAR
STOP! IT'S SO LOUD, IT'S BLOWING THE COLOUR RIGHT OUT OF CARE-A-lOT!!

Too-Loud turns the motorcycle off.

TOO-LOUD BEAR
Blowing the color right out of Care-A-Lot?
(starts laughing)
<LAUGHS> I gotta tell you... you Care Bears! Always making with the jokes.

WISH BEAR
I'm not joking. Look!

Wish Bear points. Too-Loud Bear sees the pale, wilted flowers behind the motorcycle.

TOO-LOUD BEAR
You sure those weren't like that before?

WISH BEAR
Yes. I'm sure!

Both Too-Loud Bear and Wish Bear look up as more dark clouds roll in and <THUNDER IS HEARD>.

TOO-LOUD BEAR
What's with the clouds? The travel agent said Care-A-Lot never gets rain this time of the year.

WISH BEAR
It's all the wishing we've been doing. Please, I've got to find Twinkers. Where is he?

Too-Loud Bear seems to be getting the message. He looks worried, too.

TOO-LOUD BEAR
(concerned)
I think he's out back with Me Bear. She wanted to do some redecorating.

DISSOLVE TO:

EXT. CLUELESS BEARS' HOUSE / BACKYARD - DAY

A MASSIVE "ME BEAR" AMUSEMENT PARK COMPLEX behind the house!

By the big front gate is a giant statue of Me Bear, surrounded by other pink, sparkling Me Bear statues.

WISH BEAR
You call *this* "redecorating?"

ME BEAR (PARTIAL O.S.)
Greetings visitors! And welcome to "Me Bear World." An entire amusement park dedicated to the celebration of...well... ME!

TOO-LOUD BEAR
(worried)
Me Bear! Look at all of this.

ME BEAR
Beautiful, isn't it? It's all me, all the time.

WISH BEAR
But Me Bear, your smokestack.

A huge smokestack stands in the middle of the amusement park, blowing thick, black smoke into the sky.

WISH BEAR (CONT'D)
The smoke coming out of it is blocking out the sun.

ME BEAR
Oh, that's just the factory.

WISH BEAR
The factory?

ME BEAR
For the gift shop. I manufacture all of my own trinkets and souvenirs. Helps control costs.

Me Bear gives Wish Bear a toy model of herself. She pokes its tummy and it sings the same tune we heard Me Bear sing earlier: "Me, me, me, me, me, me, me!"

WISH BEAR
But... <GASP!>

Before Wish Bear can finish, Me Bear slaps a crown on Wish Bear's head. Dripping from the crown are pictures of Me Bear.

ME BEAR
<GIGGLE>

Wish Bear throws the crown to the ground.

WISH BEAR
(flustered)
NO! Don't you understand!

ME BEAR
What?

WISH BEAR
A whole amusement park all about *you* is no way to show that you care.

ME BEAR
(sincerely)
It shows that I care about me. Doesn't that count?

Too-Loud Bear shakes his head "no."

TOO-LOUD BEAR
No.

WISH BEAR
Where’s Twinkers?

ME BEAR
Twinkers? I saw him inside the house with Messy Bear.

<THUNDER CRACKS> and Me Bear notices the sky for the first time. A worried look comes to her face.

ME BEAR
Hey... what happened to the sky?

Too-Loud Bear is now just as worried as Wish Bear. He hops on his motorcycle and Wish Bear hops in the side car. The zoom O.S.

ME BEAR
Hey, wait for me!

Me Bear runs after them.

CUT TO:

INT. CLUELESS BEARS’S HOUSE / KITCHEN - DAY

The kitchen is totally trashed, like an army of messy chefs took over the place and didn’t clean up after themselves. Messy Bear sits in a director’s chair, giving directions to Twinkers who doesn't look nearly as shiny as he used to. As a matter of fact, he seems downright tired from overuse.

MESSY BEAR
Now, I wish for a dozen eggs!

Twinkers spins and a shower of sparks shoots out from him.

TWINKERS
<WHIMPER>

Even Twinkers’ sparks seem tired and lack energy. A dozen eggs appear in mid-air and SPLAT! onto Messy Bear and the floor.

MESSY BEAR (PARTIAL O.S.)
Ooops! <CHUCKLES> I meant to say that I wish for a dozen eggs all cracked into a bowl. Oh, and no shells this time.

TWINKERS
(frustrated)
<SIGH>

Twinkers zaps another dozen eggs. And a bowl. The bowl hovers in mid-air.

MESSY BEAR (PARTIAL O.S.)
And now, I wish for some chocolate powder, milk, and sugar. And a mixer to really beat it well, k?

All the ingredients SPLASH DOWN into the bowl, and then a mixer appears. Beaters go into the bowl and the mixer turns on by itself, sending chocolaty cake batter all over the place... and on Messy.

MESSY BEAR
Whoa! <GROAN>

Too-Loud Bear and Me Bear run in:

TOO-LOUD BEAR
Oh!...

ME BEAR
My!...

WISH BEAR
Mess!

Twinkers looks over and sees Wish Bear. He lets out a YELP.

MESSY BEAR (PARTIAL O.S.)
Alright, alright! Now we need a big pie plate so we can...

WISH BEAR (O.S.)
TWINKERS!!

Twinkers races over to Wish Bear and she hugs him.

TWINKERS
<YELP!>

WISH BEAR
Oh, Twinkers! Look at you!

Weary, Twinkers looks up at Wish Bear.

MESSY BEAR
Oh. Is it five-ish already?

Too-Loud Bear looks around, concerned.

TOO-LOUD BEAR
Messy Bear? What are you doing?

MESSY BEAR
(proudly)
I am making myself a “mud pie.”

WISH BEAR
“Mud pie?”

MESSY BEAR
It’s just an expression. They’re really tasty. It’ll be ready in a minute. Uh, pull up a chair...
(looks around)
Oh, uh, well... if you can find one. Uh, oh never mind. I’ll just wish you up one...

Wish Bear has had enough!

WISH BEAR (PARTIAL O.S.)
That’s it! NO MORE WISHING! Don’t you care about the mess you’re making?

MESSY BEAR
Of course not... I’ll just get Twinkers to clean up the kitchen after I’m done.

WISH BEAR
It’s not just the kitchen, it’s *all* of Care-A-Lot.

MESSY BEAR
(concerned)
What are you talking about?

Wish Bear leads the Messy Bear (and the other Clueless Bears) outside.

CUT TO:

EXT. CLUELESS BEARS' HOUSE - DAY

The other Care Bears are arriving.

HARMONY BEAR
Oh, Wish Bear! I'm so happy we found you I could sing!

TENDERHEART BEAR
Have you seen what's happening?

BEDTIME BEAR
All of the color is leaving Care-A-Lot!

CHAMP BEAR
<GASP!>

CHEER BEAR
(pointing)
Look at the rainbow.

Everyone turns and looks at the big rainbow that adorns Care-A-Lot. Sure enough, the color is draining from the bands like someone's turned on a tap at the bottom. Behind it, dark clouds continue to blow in.

CARE BEARS / CLUELESS BEARS
<GASP!>

TOO-LOUD BEAR
Did we really do that?

GRUMPY BEAR
We think so.

ME BEAR
We didn't mean to.

FRIEND BEAR
Oh, we know. It's just you've been so busy wishing up things, you've forgotten to take the time to care about others.

CHAMP BEAR
The important thing right now, is to figure out how to make Care-A-Lot better again.

MESSY BEAR (PARTIAL O.S.)
I know how...
(to Twinkers)
Twinkers! I wish that all of this was gone.

WISH BEAR (PARTIAL O.S.)
I don't think wishing's... <GASP!>
Twinkers, no!

But it's too late. Twinkers rises into the air, spins, and with a BRIGHT EXPLOSION of sparks, Care-A-Lot is transformed into a totally white, featureless environment! It's just the Care Bears and Clueless Bears on a completely WHITE BACKGROUND.

TOO-LOUD BEAR
Whoa! You made everything too gone.

ME BEAR
Messy Bear?!

WISH BEAR
I really think it's enough wishing...

MESSY BEAR
(ignores this)
Twinkers! I wish for everything to be back how it was, but with more colour.

Wearily, Twinkers rises, spins, and ZAPP! Care-A-Lot is back to its previous dirty condition but now all of the Care Bears glow a BRIGHT NEON GLOW (complete with INTERMITTENT TRANSFORMER NOISE!) that flashes on and then off.

CARE BEARS/CLUELESS BEARS
(wild)
Whoa! / Wow!

FUNSHINE BEAR
Actually, this is a good look for us!

WISH BEAR
(to Messy Bear)
Please, no more...

Too late!

MESSY BEAR
Twinkers! I wish for less color!

Spin! Zap! Twinkers is panting heavily now, and the Care Bears are back to their normal look.

FRIEND BEAR
That's better.

GRUMPY BEAR (O.S.)
Speak for yourself...

Everyone turns and looks at Grumpy Bear. He's now completely BLACK & WHITE!

TOO-LOUD BEAR
Ooh! Very retro.

ME BEAR
Messy Bear, I really think you should listen to Wish Bear...

MESSY BEAR (PARTIAL O.S.)
(frustrated)
Oh! Twinkers! I wish for everything to be like it used to be!

Spin. Zap! PAN DOWN TO (BABY) MESSY CUB!

MESSY CUB
<CHUCKLING> I meant used to be... but not <u>this</u> long ago.

ZAP! Messy's back to normal.

MESSY BEAR (CONT'D)
Phew!

Twinkers rises once more, arms drooping. Spins. Glows. Zap! Care-A-Lot is how it was before Messy Bear's wishing spree, but still dirty and still in trouble.

WISH BEAR
(firmly)
NO. MORE. *WISHING*!!

All heads turn. Wish Bear is holding Twinkers who looks completely exhausted.

WISH BEAR (CONT'D)
He can't take any more.

Everyone looks at Twinkers who isn't glowing at all anymore. He's panting, exhausted.

TENDERHEART BEAR
Poor Twinkers.

A LOUD CLAP OF THUNDER IS HEARD. The wind starts to pick up.

ME BEAR
Poor us! Look!

The storm is really closing in on them, and the color is draining away faster and faster.

CHAMP BEAR
Please wish Twinkers back to Wish Bear so she can help Care-A-Lot!

MESSY BEAR
Uh, um... good idea. Uh, Twinkers! I wish you back to Wish Bear.

TWINKERS
<PATHETIC WHIMPER> (then)
PFFFFFFFT!

Twinkers begins to rise into the air, but like a helium balloon that’s losing it’s gas, he only gets a little of the way up before settling back down into Wish Bear’s arms. Twinkers is spent.

BEDTIME BEAR
<GASP!> What’s wrong?

WISH BEAR
It’s like he’s been all used up.

MESSY BEAR
(upset)
Oh... Oh, Twinkers! I’m sorry!

All the concerned bears gather around Wish Bear who’s holding Twinkers.

GOOD LUCK BEAR
What are we going to do?

TWINKERS
<WHIMPER>

A determined look comes to Wish Bear’s face. She takes charge, big time.

WISH BEAR
Grumpy Bear, come with me!

Wish Bear starts to walk O.S.

GRUMPY BEAR
Whoa whoa, whoa. Where are we going?

WISH BEAR
To help Twinkers!

MESSY BEAR (PARTIAL O.S.)
Can I come too? I'm afraid I've made a mess of things.

TENDERHEART BEAR
What should we do?

WISH BEAR
Wait here. If this works, everything is going to be okay. Come on, Messy!

SHARE BEAR
What if it doesn't work?

Everyone looks at her.

SHARE BEAR (CONT'D)
<GIGGLE> Ignore me...

INT. GRUMPY'S ROCKET - DAY

Wish Bear, Grumpy Bear, and Messy Bear are in the bubble-powered rocked, strapped-in three across in the pilot seats of the cockpit. Wish Bear holds Twinkers in her arms.

WISH BEAR
Ready, Grumpy Bear?

GRUMPY BEAR
Sure. All I need to know is which way?

WISH BEAR
Up!

GRUMPY BEAR
Count us down, Messy Bear!

MESSY BEAR
T-minus five, four, three, two,
<AH-AH-CHOO!>...LIFT OFF!

Grumpy pushes a lever and the rocket ship BLASTS OFF, a stream of bubbles spewing from the rear.

It zooms high away from Care-A-Lot. Up...up...and away!

MESSY BEAR
YAAAAAAA!

EXT. THE COSMOS - DAY

Grumpy's rocket blasts away from earth and into the cosmos.

INT. GRUMPY'S ROCKET - DAY

Our trio of space explorers look out the front windows.

MESSY BEAR (O.S.)
Grumpy. Can't this thing go any faster?

GRUMPY BEAR (O.S.)
Well I put high octane bubbles in it.

Wish Bear studies the cosmos in front of her. Smiles.

MESSY BEAR
They! What's that?

Grumpy Bear and Messy Bear see what Wish Bear is pointing to.

WISH BEAR (PARTIAL O.S.)
Good eye, Messy! <u>That's</u> Big Wish.

Big Wish is the giant wishing star from the opening story Wish Bear told to the other Care Bears at the start of the film.

WISH BEAR (PARTIAL O.S.)
She's the source of all wishing power. She can make Twinkers better again. I just know it!

PAN DOWN TO TINKERS who's looking quite ill.

WISH BEAR (PARTIAL O.S.)
Grumpy; slow us down!

GRUMPY BEAR
Brace yourselves.

Grumpy pulls on the lever and the rocket ship slams on it's brakes... hard. He hits his head with a <THUNKK>!

GRUMPY BEAR (CONT'D)
Ouch.

Wish Bear turns to her companions.

WISH BEAR (O.S.)
Keep it running, Grumpy....

EXT. GRUMPY'S ROCKET - DAY

Wish Bear opens her hatch and flies out. She's wearing a glass space helmet now and she's still carrying Twinkers.

WISH BEAR (CONT'D)
... I'll be right back.

Wish Bear zips over towards Big Wish, who speaks with a wise, old woman voice (think of "The Oracle" from THE MATRIX.)

BIG WISH
Well, bless my stars! Twinkers!
Look how big you've grown!

Twinkers slowly floats over to Big Wish and rest on one of her points.

BIG WISH (CONT'D)
And I know you. You're Wish Bear,
Twinkers best friend!

Wish Bear looks down, guilty.

WISH BEAR
I-I thought I was his best friend,
but... I didn't take good enough
care of him.

BIG WISH
Ahhh, too much wishing.

WISH BEAR (PARTIAL O.S.)
Yes. And now look at him. He's so weak. Is there *any way* you can help him get better?

BIG WISH
That depends on you.

WISH BEAR
If you mean, "did I learn my lesson?" Yes. Wishing is fun, but it's more important to work hard to make your dreams come true. And if you can do it with your friends, that's the best way to show that you care.

BIG WISH
(smiles)
Very good. In that case...

Big Wish starts to spin and glow. Twinkers flies a little away from her. She spins, throwing off a beautiful shower of sparks.

TWINKERS
<SQUEALS OF DELIGHT> Ta da!

TWINKERS IS BACK TO NORMAL!

TWINKERS / WISH BEAR
<GIGGLING>

WISH BEAR (CONT'D)
Twinkers! Oh!
(the hug)
<SIGH OF RELIEF>

Twinkers, fully rejuvenated, flies to Wish Bear and they hug. After a moment, Wish Bear turns to Big Wish.

BIG WISH
<CHUCKLES>

WISH BEAR
Thank you, Big Wish!

BIG WISH
You're welcome, Wish Bear. And now, I think your friends back in Care-A-Lot need your help.

DISSOLVE TO:

EXT. CARE-A-LOT - DAY

The dark clouds have gotten closer now, and all of the Care Bears huddle together against the wind and <THUNDER>. Things are looking dire, and then...

TENDERHEART BEAR
It's them!

...all heads turn and look up as, out of the clouds, comes Grumpy's rocket!

CARE BEARS / CLUELESS BEARS
(wild cheering)
Yippee! / Hurray! / Yay!

Spewing bubbles, the rocket lands nearby. The hatch opens and Wish Bear, Grumpy Bear, Messy Bear, and the newly energized Twinkers jump out and race over to their friends.

TOO-LOUD BEAR (PARTIAL O.S.)
Wishy! Twittles! Messy! You're back.

GRUMPY BEAR
(insulted)
What am I, chopped liver?

TOO-LOUD BEAR
Y-You too, Grump-meister!

FRIEND BEAR
Twinkers! He's all better.

CHAMP BEAR (PARTIAL O.S.)
Oh, that's great! Wish Bear... wish everything better. You're the only one who can fix things!

WISH BEAR
I never thought I'd say this, but wishing is definitely <u>not</u> the answer.

FUNSHINE BEAR
(nervously)
This is no time for jokes! Trust me! *I* know.

WISH BEAR
I'm not joking. We have to save Care-A-Lot ourselves *without* wishing.

HARMONY BEAR
But how?

WISH BEAR
Share Bear. Do you have any of your rainbow syrup left?

SHARE BEAR
Do I!

DISSOLVE TO
MUSICAL MONTAGE:

EXT. CARE-A-LOT - DAY - CONTINUOUS

The Care Bears and Clueless Bears have formed into the shape of a giant heart at the base of the bubble rocket. Wish Bear points, sending the Bears off in all different directions.

I want to share it with you

They zoom off and eventually catch up with Good Luck Bear in his helicopter, and a small armada of two-passenger Cloud Cars driven by the other Care Bears.

Wish Bear looks over at Twinkers, as if to apologize. Twinkers has obviously accepted.

I'm sorry for the things
I've put you through
A lesson learned,
is a wish come true

Too-Loud Bear helps Grumpy tune-up his rocket.

We are now treated to a QUICK SERIES OF SHOTS of the Care Bears checking in from their various cloud cars and vehicles.

Side by side we'll make
a better day
Together chasing
the storm away

Good Luck Bear's helicopter plows through a collection of dark clouds, pushing them away.

The squadron starts to circle the dark clouds, like sheepdogs tending a herd.

Two Cloud Cars approach and push more dark clouds out of the sky.

SONG (V.O.)
Caring for the things we love
Caring for each other
It takes you and me
Yes, caring is everything

Bedtime Bear notices a small, dark cloud that the others missed. He spins the Cloud Car around and goes after the rogue cloud. They “victory high-five” one another!

From her cloud car, Wish Bear sees something coming. She smiles when she sees it’s ...GRUMPY BEAR’S ROCKET SHIP APPROACHING!

It takes you and me
Working in harmony
Caring for the things we love
Caring for each other

The Care Bears, in their flying vehicles, have managed to push all the storm clouds together to make one big storm cloud.

SONG (V.O.)
It takes you and me
Yes, caring is everything
We've got to take care
of each other
It takes you and me

They put up a valiant fight and keep the clouds tightly pushed together.

ANGLE - GRUMPY BEAR, AT THE CONTROLS

He’s in full “Han Solo” mind-set!

GRUMPY BEAR
Release the syrup!

The rainbow syrup shoots out of the rocket! Suddenly, the rocket pods break off and the Clueless Bears help to wrap syrupy rainbows around the entire storm cloud.

SONG (V.O.)
Because a wish is just a dream
That takes the work
of a caring team

The cloud is now wrapped in rainbows like a present (complete with bow)!

ON WISH BEAR AND TWINKERS - Twinkers exits the vehicle and makes several stardust circles in front of the storm cloud... the circles form a giant target!

SONG (V.O.)
Together, me and you
Will make this dream come true

Grumpy Bear swoops towards camera:

GRUMPY BEAR
YEEEEE-HAAAAA!!!!

The <MUSIC PAUSES> as he drives his rocket right in to the centre of the cloud!

It <EXPLODES> in a magical display of hearts, stardust and rainbows!

A giant rainbow that leads back down to Care-A-Lot is formed and Grumpy slides down on it!

SONG (V.O.)
It takes you and me
Working in harmony
Caring for the things we love
Caring for each other

Wish Bear sees that her plan has worked and she and Twinkers embrace.

SONG (V.O)
It takes you and me
Yes, Caring is everything
We've got to
take care of each other

As the first rainbow lands in Care-A-Lot, the flowers stand tall once again, as the colour drains back into them!

It takes you and me
Friends we will always be

Rainbows land ALL OVER Care-A-Lot!

SONG (V.O.)
Caring for the things we love
Caring for each other

The Care Bears did it! The sun is shining brightly in the sky again, and the rainbow has all of it’s colour back.

They all dive back down to Care-A-Lot!

SONG (V.O.)
It takes you and me
Because, friendship is everything
We've got to take care
of each other
It takes you and me
We've got to take care
of each other
It takes you and me

EXT. CARE-A-LOT - DAY

The cloud cars and helicopter land in Care-A-Lot. The Bears all race towards on another, exchanging hugs and high fives.

CARE BEARS / CLUELESS BEARS
<CHEERING>

BEDTIME BEAR
It worked!

Everyone’s there... except Grumpy:

GRUMPY BEAR (PARTIAL O.S.)
YEEE-HAAA!

Grumpy sees he’s about to land in the vat of Rainbow Syrup... again!

GRUMPY BEAR (CONT’D)
(then)
Huh?! Oh, no! NOT AGAIN!

In the nick of time, Messy Bear and Me Bear push the vat away...

MESSY BEAR / ME BEAR
<EFFORT GRUNTS>

... and Messy Bear catches Grumpy.

MESSY BEAR / GRUMPY BEAR
OOF!

MESSY BEAR (CONT'D)
You wouldn't want to get all messy, Grumpy.

CARE BEARS / CLUELESS BEARS
<CHUCKLE>

FRIEND BEAR
What a *beautiful* day!

CARE BEARS
Wow!

CHAMP BEAR
We did it... all of us!

He looks happily at the three Clueless Bears.

ME BEAR
Mm hm!

The Clueless Bears look down, embarrassed at the attention.

WISH BEAR
And you wanna know the best part?!... We did it *without* wishing.

ME BEAR
You know... working hard to make Care-A-Lot this beautiful, actually feels better than if we wished for it.
(catches herself)
Did I say that?

Everyone GIGGLES.

CARE BEARS
<GIGGLING>

TOO-LOUD BEAR
There's still one wish we gotta make.

ME BEAR
There certainly is. Messy Bear?

MESSY BEAR
Sure thing. Twinkers?

Twinkers stands at attention.

MESSY BEAR (O.S.)
We wish that you and Wish Bear...

ME BEAR (O.S.)
... will be together...

TOO-LOUD BEAR
... FOREVER!

TWINKERS
<GIGGLES> (then) WEEEEEE!

Twinkers happily spins and lights up. He circles the Clueless Bears, removing the “wish graphics” from their tummies... and returning Wish Bear's tummy symbol back to normal! Twinkers is hers once more!

WISH BEAR
(elated)
TWINKERS!!

TWINKERS / WISH BEAR (CONT’D)
<GIGGLE>

Wish Bear hugs Twinkers.

WISH BEAR (C0NT’D)
Oh! <GIGGLE>

Twinkers kisses Wish Bear...

TWINKERS
<LICKING>

Champ Bear pats Messy Bear on the back.

CHAMP BEAR
Nice wishing, Messy Bear.

MESSY BEAR
Thanks! Only... would you mind calling me “Neat Bear” from now on? I’m going for a new image.

CHAMP BEAR
You got it!

TOO-LOUD BEAR
Care Bears... we're sorry. We learned our lesson: only caring about ourselves isn't really caring at all.

ME BEAR
That's right.

TOO-LOUD BEAR (PARTIAL O.S.)
I know we kinda got off to a rough start here as your neighbors, but...
(nervously)
... would it be okay if we still lived here in Care-A-Lot with all of you?

SHARE BEAR
(smiling)
Sure! Care-A-Lot is a place for anyone and everyone who cares!

The Clueless Bears all smile.

CLUELESS BEARS
(wild cheering)
Yippee! / Hooray!

CARE BEARS
<CHUCKLE>

FUNSHINE BEAR
Well, everything's back to normal! Now what?

CHAMP BEAR
(smiling)
Well, in situations like this there's only one thing to do.

Tenderheart Bear and Good Luck Bear look at each other for a moment that they have it figured out this time.

TENDERHEART BEAR & GOOD LUCK BEAR
(together)
Picnic?

CHAMP BEAR (PARTIAL O.S.)
No. ROAD TRIP!

CARE BEARS / CLUELESS BEARS
<CHEER>

They all run back towards their vehicles and buckle up.

SHARE BEAR
Last one in the air is an exceptionally clean egg! <CHUCKLE>

The CAMERA CRANES UP and follows the Bears to show the beautiful land of Care-A-Lot.

TOO-LOUD BEAR (PARTIAL O.S.)
Hey, Me Bear. Did you see how happy Twinkers was when he went back to Wish Bear?

WISH BEAR (O.S.)
(to Twinkers)
Twinkers! Did you hear? Too-Loud Bear *finally* got your name right!

Twinkers makes a NOISE that sounds suspiciously like...

TWINKERS
<GIDDY CHUCKLE>

WISH BEAR/ TOO-LOUD BEAR/MESSY BEAR
<CHUCKLE>

As we leave we see them all zipping up into the air, doing loop de loops and heart de hearts against a rainbow-laced sunset and castle backdrop.

Birds <CHIRP> signalling that everything is back to normal in Care-A-Lot!

FADE OUT:

THE END
